**Bethesda Women Hold Shaky Lead in Golf**

Bethesda Country Club will serve as host for the Women's District Golf Association first division team matches tomorrow, giving defending champion Army Navy an opportunity to make up ground in the standings.

Bethesda still leads with 21½ points after three rounds, including a 16-1 victory over Manor yesterday at Indian Spring, but cannot add to its total tomorrow because host club will not play. Army Navy already has had its open date.

Army Navy yesterday gained a point on Bethesda with a 7-2 victory over Washington GCC for a total of 3½. Argyle also gained a point with a 7-2 triumph over Prince Georges. Both matches were at Indian Spring.

Bethesda lost two points in the No. 1 foursome yesterday when Mary's Kathryn Doug fired a 39 on the back nine of the Chief course to take the second nine and the 18. However, Bethesda's new tandem, Mrs. George Martin and Mrs. Don Miller, swept all three points in the last group to keep the leaders on top.

Indian Spring upset Bethesda, 16-1, and Army Navy's chief rival, 6-4.

Army Navy eked out a 6-4 victory over Argyle and now leads Bethesda by four points with two matches remaining on the schedule.

**Army Navy Closes in On Bethesda**

Army Navy Country Club took a giant stride toward a successful title defense in the Women's District Golf Association team championship yesterday at Indian Spring, defeating Washington, 7-2.

The Vrizenas team tried for a third straight championship, moved into second place in the round robin event with 1½ points for two matches. Bethesda, 1968 champion, is in the lead but has played three times. Bethesda defeated Washington, 8-4, compiling 3½ points. In the other match yesterday, Argyle defeated Prince Georges, 7-2.

**Bethesda's WDGA Lead Could Face Rough Test**

Bethesda Country Club's early half-point lead in the Women's District Golf Association team matches should prove difficult to protect tomorrow when the first division round-robin competition moves to Argyle for the second stop.

Bethesda stepped in first yesterday in the first round at Army Navy's Fairfax course by defeating Prince Georges, 7-2. At Indian Spring downed MANTRY, 7-2, and Washington downed Argyle, 8-4. Defending champion Army Navy was idle because it was late Sunday.

Tomorrow at Argyle, Bethesda was scheduled to face Washington, while Indian Spring fixtures have an easier task against Prince Georges and Army Navy jumps into action against Manor.

**Bethesda CC Leads Women's Golf**

Bethesda Country Club took the opening round lead in the Women's District Golf Association round-robin team championship yesterday on Army Navy Country Club's Fairfax course, defeating Prince George's Golf and Country Club, 11-1.

The 1968 champions could have won by an even wider margin, but for two dainty misses on the last green in the flat foursome. Mrs. Jay Dimon three-putted from 20 feet and Mrs. George Foster missed a 16-inch, forcing Bethesda to settle for a 11-1 win.

However, Bethesda's second and third groups scored 4-0 victories, giving Bethesda a half-point lead over second-place Indian Spring, which knocked off Manor, 7-2, in the other match. Washington pulled off the only upset, defeating Argyle, 5½-1½. Army Navy, champion in 1969 and 1970, drew a first-round bye, served notice that it again will be hard to beat as it opened an 8½-½ triumph over Manor. Indian Spring split 4½-4½.**
Army Navy Blanks PG

Army Navy Country Club, seeking a third straight title, blanked Prince Georges, 84, and took first place with 249 points yesterday through four rounds of the Women's District Golf Association team championships.

In rounds, the women on the Army Navy team finished second with 213 points. In the first round, they finished third with 211 points. In the third round, they finished second with 212 points.

Army Navy capped off its victory by winning all five team championships. Prince Georges finished fourth with 234 points.

Army Navy Women Win

Army Navy Country Club launched its campaign for a third straight Women's District Golf Association team championship by defeating Bethesda, 84-1, 111.4, and clinching the title with a 249-point total in the WDGA's five divisions.

Army Navy clinched its third consecutive championship title in last week's semifinals and needed only to go through the motions in yesterday's final. The team, which ran an unprecedented 28 consecutive holes without a bogey, defeated Prince Georges, 6-1, 6-3, 6-1.

The victory gave Army Navy the championship title for the third consecutive year.

Army Navy Captures Lead in Women's Golf

Army Navy's perennially strong team has moved in front in defense of its Women's District Golf Association first division championship, but the battle is only half over.

After yesterday's round of matches at Bethesda Country Club, Army Navy, Bethesda, Indian Spring and Argyle — and each must play the other three contenders in the remaining three-round robin dates.

Army Navy battled to the front of the field with a 28-under-par 68, while Bethesda ceded the 28-under-par 67. Indian Spring and Argyle moved into contention with 76-under-par 64 victories over Washington GGC and Manor, respectively.

Army Navy's victory was the only sweep of all nine points this season by any team in the WDGA's five divisions. Bethesda, as host team yesterday, did not play and dropped into second place with its total of 213 points in the first division.

Army Navy Repeats in WDGA Meet

Army Navy's women's team successfully defended its Women's District Golf Association title yesterday at Prince George's, beating Bethesda, 84-111.

Army Navy is still hot on the golf course. The team, which has won the last two WDGA meets, now leads the four-team playoff with 249 points.

Argyle Takes 2d in WDGA

Argyle Country Club clinched its third consecutive championship title in last week's semifinals and needed only to go through the motions in yesterday's final. The team, which ran an unprecedented 28 consecutive holes without a bogey, defeated Prince Georges, 5-1. Army Navy finished with 46 points.

Argyle's two-time defending champion, had 256 points and Bethesda was third with 250 points. Indian Spring was fourth with 259 points and Prince Georges was fifth with 260 points.
Mrs. MacCartney Leads Keefer Golf

By Nancy Fitzgerald
Washington Post-World

Despite three-putting three greens on the front nine, Mrs. Hartwell MacCartney took the first-round lead in the 36-hole 10th annual Keefer Cup tournament at Chevy Chase yesterday. Mrs. McCartney, never a winner in 13 Keefer events, was out in 74 and back in 41 over her home course.

The stroke handicap gave Mrs. MacCartney a stroke lead with a net 73.

Highlight of Mrs. MacCartney’s round was a birdie of 30 where she rolled in a 13-foot putt on the lightning-fast greens.

Mrs. Jay Cone, Maryland State champion from Bethesda, posted 86-71, took the gross last by five strokes and was only one behind in the net division.

Biggest disappointment of the opening round was Mrs. R. A. Chapman who failed to qualify for the final round.

The Army Navy player, who has been in 10 Keefer events and never failed to make the cut, had in 10-10-14, three-putting the first, third and fourth greens and four-putting the second.

Mrs. Walter Goodrich of the Country Club of Fairfax took third net with 76.

District champion Mrs. William Weisner of Indian Spring posted an 86-77 and finished in a tie for fourth with Mrs. Charles Darler, Chevy Chase, 87-77; Mrs. Ben Frazer, Indian Spring, 86-83; and Mrs. Webb Cary, Chevy Chase, 86-77.

A birdie was required to make the cut on a day when many players were complaining about three-putting usually fast greens.

Mrs. Cone Loses In Playoff

Mrs. Jack Takes Keefer Cup Golf

Mrs. Harold Jack of Manor won the Keefer Cup tournament yesterday at the Chevy Chase Club, defeating Mrs. Jay Cone of Bethesda on the first hole of a playoff.

Mrs. Jack and Mrs. Cone finished the 36-hole Women’s District Golf Association playoff with net scores of 154. Both took five on the first hole with a handicap stroke. Mrs. Cone had a chance to keep alive in the playoff but took three to get down from left off the edge of the green.

Mrs. Cone, Bethesda champion, who had 80 in Wednesday’s opening round, wound up the winner of first gross with 86 for the two rounds. She was out in 45 and returned in 43.

Mrs. Frank Cush of Argyle played the back-nine of yesterday’s round in a sensational 36 to take second net. The former Middle Atlantic District and Maryland champion finished in a three-way tie for second at 156 but won on a match of cards.

Mrs. Peter Wexler, Prince Georges, was given third net and fourth place went to Mrs. A. A. Work of Army Navy. Mrs. Hartwell MacCartney, the first round leader, took fifth net after having finished in a three-way tie for that position. From winner:

Chevy Chase Golfers Lead in Keefer Cup

By DICK SLAY
Star Post Writer

Chevy Chase, the host club, was in excellent position today to produce its first Keefer Cup champion in nine years. Not only was Mrs. MacCartney leading after yesterday’s first round, but all other Chevy Chase players were within six shots of entering the final 13 holes.

Anything can happen in the net tournament, especially when the field has 14 contestants under Par. Mrs. MacCartney’s opening 85-83-73 was good for only a one-stroke lead over Bethesda’s Mrs. Jay Cone, who gummed up her hitting holes yesterday to report in with 86-74.

Cue Master at 62

Mrs. Walter Goodrich from Country Club of Fairfax had third place to herself with 85-86-78, but there were four at 77, including Mrs. Charles Hawley and Mrs. Webb Hayes of the host club.

Chevy Chase also had Mrs. Arnold Wilcox, Mrs. William Bennett, Mrs. Paul Stait and Mrs. Linda Field at 84 or less. The cut for the low 21 and tie was made at 82 with 24 surviving.

Among the missing today were four former champions, including three from the last five years. Mrs. Thomas Kenna of Argyle, the 1961 and ’62 winner, missed the cut with 86-84-77; Mrs. Arlene Beam of Argyle (85-87) and 85-87 and last year’s champ, Mrs. R. A. Chapman of Army Navy, had 89-80.

The scores were generally high yesterday because of the 10th greens, an unusual condition for a course in this area this time of year. Miss Demere, whose championship is the lowest in the Women’s District Golf Association, said she had at least seven three-putt greens. Mrs. Chapman had 13 putts on the final four holes.

The Chevy Chase members were unanimous. Mrs. MacCartney, a bookkeeper for a Georgetown dress shop, had been able to play her course only five times before yesterday and she three-putted three times on the front nine on the way to 44-31. Mrs. Hayes reported five three-putts.

Troubles Start at 11th

Mrs. Cone was an exception for 12 holes. The Maryland Women’s champion was paired with Mrs. MacCartney, was only one over par until she three-putted the 13th, beginning a string of five bogeys and a triple bogey en route to 15 strokes and low gross.

The weather great, no sad lament,
When we came for this tournament,
The bluest skies and brightest sun
For all who came and one who won!

The greens so fast, were hard to master
And often led to great disaster;
But not for Margy Jack from Manor!!
She fought and she brought home the banner!
Arnold may be bowing to his partner.

But to me it looks as if he has a monkey on his back!
IN MY OPINION

'The Ladies are Coming'

BY DON A. ROSSI, Executive Director, National Golf Foundation.

The time is fast approaching when lady golfers will not tolerate "second-class-citizen" treatment on the nation's golf courses. In case you didn't notice, lady golfers increased at a much more rapid rate than men golfers in the past decade. In another 10 years, they may well outnumber the males. And we can be sure that in golf, as in other aspects of American life, women increasingly will demand fair treatment and opportunity — such as earlier starting times on weekends, after-golf facilities equal to those provided the men, and a stronger voice in the direction of club life generally. I think that the ladies deserve it and that — fear not, than — they will fulfill their broader role in club golf with intelligence and tact.

In some respects may even outshine the men — for example, the typical lady golfer already is far more conscientious about individual golf course maintenance — replacing divots, repairing ball marks, etc. — than the average male golfer.

Looking back on the 1960s, it seems to me that the women have brought an intense interest and participation to the game which has benefited everyone. We have the ladies to thank, principally, for the sense of fashion and color in golf today. The tremendous growth in the sales of soft goods through the golf shop has been a direct result of their participation in the game. The bulk of sales for most golf professionals today is in shirts, sweaters, slacks, skirts, blouses, hats, shoes and other items that are meeting a demand for colorful fashions — a demand that has been introduced and built by the lady golfer.

Even equipment has felt the effect of the lady golfer. Every shop displays ladies' bags in a variety of pastel shades and hues. Multi-color woods and pastel-colored golf balls are other products designed specifically for women golfers.

And let's not forget that the majority of people who donate their time and effort to conduct pro tournaments at golf clubs throughout the country are of the fair sex. Every stop on the PGA and LPGA tour benefits from the efforts of these tireless volunteers.

In future years the influence of women should continue to grow, not only in terms of playing the game, but in every other aspect of golf as well.

The American golf course, like the bowling alley and the billiards parlor, will never be the same now that the American woman has decided to be a full-fledged participant. And, just as women's participation has benefited both bowling and billiards, golf is a better sport today for everyone because of it.

We should appreciate the lady golfer and act accordingly.

This column is a regular feature designed to air the views of qualified observers on important and sometimes controversial aspects of golf. Reader's comments are welcome.—Ed.

CROFTON Country Club’s 7,200-yard course is going to be the site of sectional U.S. amateur championship qual-
ifying Aug. 17. Because the championship proper is being played (Sept. 4-16) at Westmont, Del., a record field for this section is expected . . . A record entry also is expected for the USGA Junior championship sectional qual-
ifying at Columbia Country Club, July 27. Manor Club is host-
ing the USGA Junior for a second time, Aug. 3-7. Manor first held the event in 1927, a championship in which Jack Nicklaus was eliminated early . . . The annual Schmidt Cup matches between teams of the Philadelphia PGA and the Middle Atlantic PGA is going to be held at Prince Georges ... Mrs. N. L. Louney has established a course record for Army Navy Country Club’s Capital Fairfax Invitational layout. Mrs. Louney, 76, tied a playoff on the Army Navy championship team in the Women’s

District Golf Association round robin team event, shot a 76-under women’s par 72.

Mrs. Salter Scores

Mrs. Leeann Salter won the Forever 49 golf title yester-
day at Army Navy Country Club by shooting 84—84. Mrs. Arthur Johnson, 86—86, finished second and Mrs. Howard King took gross with 86.

HOT SPRINGS, Va., July 9—Mrs. Richard Canney of Centreville matched women’s par of 73 on the Unknown course today and won the qualifying medal of the 46th Virginia Women’s Amateur golf tournament by four strokes.

lington, 64.
Defending champion Robyn King Votel of Charlottevile was exempt from qualifying.
Mrs. Cone Again Tops Qualifiers for WDGA

If Mrs. Jay Cone were as strong at the end of the Women’s District Golf Association tournament as she is in the beginning she would win several championships by now.

The peppy housewife from Bethesda Country Club paced the qualifying for the second year in a row yesterday, terrorizing Lakewood Country Club in 27-43-71.

Jackie, who first qualified for the championship flight in 1963 at Manor, has gotten past the quarterfinals only once and that was the following year when she was eliminated in the semifinals.

This year, Mrs. Cone appears to have a good chance to make it all the way. For No. 1 among 16 entries, Mrs. Bernard Bryant of Country Club of Frederick, who has bested her three of the last four years, is in the field.

In breaking the competitive women’s house record, Mrs. Cone birdied the 430-yard par-five ninth hole, the 420-yard par-five sixth and the 440-yard par-five 18th.

Mrs. Cone, who plays to an eight handicap, also shot a 76 last year at Indian Spring and was tied by Mrs. Roye in the quarterfinals.

Mrs. William Weissman who won the event last year’s lead yesterday won back her home course, a rated a strong threat again. She was an automatic qualifier and qualified with Mrs. Harold Jakes, Manor, in a 10-player tie.

Mrs. Cone took in the lingering Mrs. Thomas W. Arapahoe, who qualified with an 82.

Three other former champions qualified for the 18-player tournament.

Mrs. Cone Tops District Qualifying

Mrs. Jay Cone of Bethesda Country Club, fired a one-over par 76 yesterday at Lakewood Country Club and for the second straight year won the qualifying medal in the Women’s District Golf Association championship.

The former Maryland state champion was out in 37 and back in 39, establishing a women’s competitive record for the Rockville course.

Only one other resident, Mrs. Walter Goodrich of the Country Club of Fairfax, was able to break 80. Mrs. Goodrich posted twin twos of 44 for a three-over par 76.

Defending champion Mrs. William Weissman of Indian Spring qualified automatically in today’s first round of her title defense. Mrs. Weissman plays in a 41-shot final with Mrs. Harold Jack of Manor, who qualified with an 81.

Mrs. Cone of Bethesda led birdies at the 18th, 11th and 16th holes. She faced Mr. Thomas Xenogaph of Argyle in 79.

Mrs. Jack Eliminates Weitzen

Mrs. Jack, upset Mrs. Weitzen, eight-time Indiana Spring Club champion, 1 up in 39 holes. The defending champion lost the seventh hole because her ball struck her golf bag.

Mrs. Weitzen was even at the turn and missed a five-foot putt on the 18th that sent the match into overtime. On the 18th, Mrs. Weitzen put her second shot in a trap and then blasted out against a fence. She conceded the hole to Mrs. Jack who needed to get down in two strokes from the edge of the green for her par.

Medalist Mrs. Jay Cone of Bethesda squandered a lead, Mrs. Thomas Koning, 1 up. The most crucial victory of the day was Irene Berman's 7 and 6 victory over Nina Gureman of Congressional. Mrs. Berman won the District title in 1958.

Mrs. T. J. Verrill of Belle Haven, two down with only three holes remaining, defeated Mrs. William Weyer of Argyle, 1 up.

Wins Title, 3 and 1

Mrs. Looney Ends Mrs. Jack’s Bid

By Maury Fitzgerald
Washington Post Staff Writer

Mrs. Ned I. Looney was one favorite too many for Mrs. Harold Jack yesterday in the final of the Women’s District Golf Association championship at Lakewood Country Club.

Mrs. Looney of Army Navy Country Club won her second city title, ending Mrs. Jack’s string of three straight upsets, 3 and 1. Among Mrs. Jack’s victims was Mrs. William Weitzen, the defending champion.

Mrs. Weitzen of Indian Spring came back from that defeat to win the championship consolation, defeating Mrs. Joseph Smyth of Congressional, 4-2.

Mrs. Jack, who earlier in the year won the Kreifel Cup at Chevy Chase Club, took a one-up lead at the third hole with a par. She missed a three-footer for a half at five, losing the only advantage she enjoyed in the match.

Mrs. Looney, winner in 1968, took the lead at eight with a par. The champion won three straight holes beginning at 10, giving her a commanding four-up lead. Mrs. Jack three-putted the 15th.

After losing the 13th and 14th holes to par, Mrs. Looney won the 15th to go dormie three. Mrs. Jack birdied the 16th but sealed her doom at 17 when she trapped her tee shot and blasted her second shot over the green.

That Mrs. Jack pulled off her fourth upset of the tournament, the championship would have given Maison Club three titles in an unbroken run. Earlier in the year, Maison won the Maryland State championship and the District senior team title.

Miss Doman turned the match around with a hole-in-one on the 483-yard hole and took the second hole on the 423-yard 10th. Miss Doman did not three-putt today, after overcoming four three-putt greens in the semifinals.

Mrs. Doman on Game, Fair Warning to Rivals

Rebecca Doman doesn't often admit she is playing well, but the longest hitter in Argyle Country Club was well satisfied with her game today, which will help her for the rest of the field in the Women's District Golf Association tournament.

"Yes, I played well today," Miss Doman said, and added, "I've never had a day like today's second round.

Miss Doman, a former Maryland Open and Maryland Amateur champion, was even par after 12 holes over the山庄 Lakewood Country Club course.

Joan Winchester Leads by Stroke in Payne Cup Event

Joan Winchester had a slim one-stroke lead as she teed off today in the second and final round of the Payne Cup women's golf tournament at Congressional.

Miss Winchester, a three handicap player from Rolling Road CC, was the only player in the field of 19 to break 80 on the back nine over the long, soggy layout yesterday as she posted a 42-33-95.

Rebecca Doman, a two-time winner of this event, appears to be Miss Winchester's biggest threat. The former Maryland State Open champion had steady nines of 39 and 36 for an 85.

Mrs. Robert Anderlik of Springfield, who shot 38-38-86, was well behind in contention after her 46-44-89. Defending champion Mrs. T. J. Verrill of Belle Haven was well back after a 46-45-89.

Joan Winchester Wins Payne Cup With 80-80

BY STEVE HERSHEY

Joan Winchester made one of her rare visits to the Washington area this week and gave the local girls another lesson in golf.

Miss Winchester, who plays a three-handicap at Rolling Road Country Club, turned in an eight-stroke victory in the 16th Payne Cup tournament yesterday at Congressional. But she's probably not very proud of it.

The long layout, soaked by the unusual amount of rain recently, simply was too much for the local contingent and all Miss Winchester had to do was cruise around the slippery course in 88 strokes -- without a birdie -- to romp home the winner with a 168.

Mrs. Ned Looney, a former District champion from Army Navy, couldn't match her opening 81 but still finished second after shooting 85 for 166.

Argyle's Rebecca Doman, a former Maryland Open champion and twice winner of this event, had a cluster to overlook, the Baltimore invader after his opening-round 81. However, she staggered around in 88 holes to wind up tied for third at 171. Then she lost a match of cards with Mrs. D. E. Holman of Country Club of Fairfax, winner of this year's Star Cup, who shot in-characteristic rounds of 83 and 88.

Mrs. Frank Cusick, also a former District winner, and Mrs. Robert Anderlik of Springfield, the defending champion, tied for low net with Miss and Mrs. Cusick won a match of cards.

The prize winners:

Doman's 72 Wins Post Cup Golf

Springfield's Mrs. Robert Anderson was one of four tied for the lead of 39 after finish at net 75. Her 75-77-73 round edged Congressional’s Mrs. Joe Smyth, with 81-79-75, as one hole in a match of cards with par.

Bethesda's Mrs. Joy Cone won low gross honors with an 81 followed by Argyle's Mrs. Frank Crum, second with 82, and third-place Mrs. William Bennett, Cherry Chase, at 83.

Indian Spring's Mrs. Bob Farnsworth, won third-place net honors with her 86-12-75 round, edging Columbia's Mrs. Dick Kropf, with 86-12-73, on a draw of cards after a match with par produced no winner.

Army Navy's Mrs. E. W. King was with 86-12-76 followed by seventh-place Mrs. W. F. Galloway, Army Navy, 86-12-76. Belle Haven's Mrs. T. B. Weyl was eighth at 88.

Miss Doman Captures Cup

The better players in the Women's District Golf Association's 45-72 tournament on the Congressional course yesterday, and won the Class A Post Cup for the first time.

Mrs. J. C. Cone of Bethesda was shot 77-76 for fibrinoma, 54, in the earlier event, and yesterday's former WDGA champ shrank.

After a spring of relative inactivity which caused her hand cap to rise, Mrs. M. Doman yesterday scored 82-81-79 at Congressional for a net 58 and won the Class A Post Cup for the first time.

Mrs. B. M. Johnson of Manor captured the Manor class Washington Post Cup with a net 82-86 at Montgomery Village yesterday.

Miss Doman yesterday scored 82-81-79 at Congressional for a net 58.
Mrs. Holman Wins on 71

Mrs. D. K. Holman of the Country Club of Fairfax ended a nine-year drought in Women’s District Golf Association class events by capturing the Class A Star Cup with an 80-81-71 over her home course yesterday.

A number of times previously she couldn’t recall the exact number, Mrs. Holman won by two strokes over Mrs. W. W. Eilert of Army Navy, 84-84-73, as scores generally ran high because of the wet condition of the long course.

Mrs. Holman’s 80 was also the best gross round in the 36-player field. But the player who netted one year of competition for violation of amateur rules regarding maximum prices in one tournament chose the net award.

Mrs. Frank Club of Argyle was awarded first place in the gross division with an 81.

Army Navy Duo Captures First 4-Ball Tourney

By EICK SLAY

Mrs. Roger Chapman and Mrs. John Belser of Army Navy Country Club figured to be a strong-enough team even with out stroke allowances in the inaugural Woman's Invitational Four-Ball at International Club. After all, they had paired up the last three years in the Virginia State Women's team championship and had lost only half a point in helping Army Navy in its title each year.

The big trophy in International yesterday went to the low net scores on better ball, and Mrs. Belser and Mrs. Chapman were in command. Mrs. Chapman was a 12-handicapper, and Mrs. Belser, an 8, combined for 32-36-48 Tuesday in the first round and yesterday returned 34-35-39 for a winning total of 117.

Mrs. Chapman, the 1970 Keer Fur Cup champion, birdied the 11th and 15th holes yesterday, scoring a net par 4 on the 460-yard 11th. Not even a bogey 4 on the final hole could ruin the leaders chances.

However, it was no walkaway against the 25 other teams. Their three-under-par 48 Tuesday was good for only a tie with two other teams, and their 117 total was only by one shot.

Mrs. D.K. Holman, CC of Fairfax, and Mary Ellen Wetton of Indian Spring followed the leader with a 118 yesterday and took down the second net prize. The other 46 scorers Tuesday, Mrs. Walter Gourley of CC of Fairfax and Jane Mack of Richmond's Heritage Club scored 119, whileers tied for third but accepted the low gross prize instead.

Miss Mack and Mrs. Goodrich had gross scores of 71 and 79 for 136, beating out Mrs. Richard Champion of Country Club and Mrs. Roland Broot, CC of Fairfax, by a stroke for the low prize.

Winner: Miss Mack

Prizes won: $100, 10% of gross 116 - 120, 20% 111 - 116; 3rd place 117 - 120, 4th place 111 - 116.

On May 26, 1971, at 10:00 A.M. a meeting of WOGA Team representatives was held at Bethesda Country Club. The following clubs were represented: ABOILE - ARMY-NAVY - BELLE HAVEN - MARYLAND - COLUMBIA - LAKEWOOD - MANOR - MONTGOMERY VILLAGE - RIVER ROAD - SPRINGFIELD - WASHINGTON - WOODMONT.

A discussion was held about any problems encountered in 1971 play and suggestions were made for future matches.

It was strongly suggested that there be no other WOGA events such as Class Tournaments in May, with the exception of the Renfer Cup, pushing these events into September so as to keep the entire month for team play only.

It was suggested that for the First Division only the rule applying to substitutes having a handicap no lower than that of the lowest handicap of any regular member, be dropped.

A lengthy discussion ensued on slow play. The following suggestions were made:

1. Each team Captain should encourage own team members to pressure those known slow players on their own teams.

2. Reinstall strict clocking and point penalties of matches.

3. On new or unmarked courses, monitors should stay at greens to direct players to next holes.

4. Discuss scores on greens to encourage players "out of the hole" to pick up.

5. No one should need to take more than 1 practice swing.

6. Team captains should instruct players on etiquette of cart play. Proper use of carts makes for faster play.

7. Re-install 150 yard markers on courses to help players determine distances.

The majority of representatives present were favorable to continuing scratch play in all divisions.

The Fifth Division (or 5-team division) requested to start their matches at 9:30 instead of 10:00 to clear the course earlier.

It was recommended to include the following into the team rules:

1. Only one person in a foursome is to report the results to the officials.

2. Team Captains of winning teams are responsible for having the trophies engraved, sending the bill to district Treasurer and returning the cup to correct Division Captain the following year.
