Increase Noted In Handicaps For Women

Since last season, the Women's District Golf Association has accepted Lakewood and River Bend as its 18th and 19th members, the first expansion of the WDGA roster in about 10 years.

Despite this, the number of member contestants is 17 under last year's final figure of 427. With Lakewood bringing in 21 ladies and River Bend 8, the 1968 starting total is 410.

Further, the Class D handicap has been raised a stroke to 20-21 to keep the membership rolls stable. Women's handicaps have risen, especially in the last year.

According to Mrs. M. R. Shiff of Argyle, WDGA president, there apparently is a combination of reasons for the ballooning handicaps, but chief among them are the new handicapping and course-rating systems adopted in 1967 and the increased use of watered fairways, which reduce roll.

The Class A players are, naturally, least affected and again will include those up through a handicap 13. Class B handicaps will be 14-17 and Class C 18-19.

A new tournament has been added to the schedule, a two-lady best-ball event July 26 at Woodmont. The two women on each team will be limited to a difference of 10 strokes in their handicaps.

The tournament schedule:

CLOSES WITH RUSH

Bethesda Takes Title In WDGA 1st Division

Bethesda Country Club's top women golfers yesterday finished the schedule almost as strongly as they started out, capturing the first-division championship of the Women's District Golf Association team matches with a rush.

Mrs. Herb Rudd substituted for the absent Mrs. William-Kloepfer and helped Bethesda to a sweep of the third foursome to complete a 7½-1½ victory over Brooke Manor, for a season total of 36 points.

Chevy Chase's Mrs. Paul Streit and Mrs. Landra Platt also swept three points in the last group for a 5½-3½ victory over Country Club of Fairfax and Chevy Chase totaled 32½ points to nip defending champion Army Navy by a half-point.

Army Navy was seeking its fifth straight title in the first division, but the best it could gain yesterday was a split with Indian Spring 4½-4½.

Bethesda started the schedule with an 8½-½ victory over Fairfax and then a 6½-2½ upset of Army Navy, and was never headed. The defending champions pulled into a tie with Bethesda for first place last week, but Tuesday suffered a 5-4 loss to fast-closing Chevy Chase.

Meanwhile, in the lower brackets, Columbia already had clinched the second-division title and won the fifth division, which ended Tuesday; River Bend tied Belle Haven atop the third division, and CC of Fairfax scored a 9-0 sweep over Westwood to win the fourth division.

Army Navy Reign Ends

Bethesda Takes 1st Women's Title

The Bethesda Country Club won its first Women's District Golf Association team title yesterday in the rain at Argyle Country Club.

Bethesda, with Army Navy, Chevy Chase and Fairfax all breathing down its neck, slammed Brooke Manor into the cellar, 7½-1½, in the final match of the round-robin series.

The new champion finished 3½ strokes ahead of second place Chevy Chase and defeated Army Navy, defending champion, by four. Fairfax, a 5½-3½ loser yesterday to Chevy Chase, dropped into fourth place in final standings.

Army Navy Tied

Army Navy, seeking a fifth straight title and its sixth championship in nine years, was held to a 4½-4½ tie by Indian Spring.

The biggest break for Bethesda came in the Army Navy-Indian Spring match. The sixth-place Indian Spring team took all three nassau points in the first foursome.

Mrs. Jay Cone and Mrs. J. P. Call got Bethesda's championship drive in motion by taking 2½ of a possible three

points from Brooke Manor's top team of Winifred Faunce and Claire Burns. The victors chalked up a 2-1 victory in the second foursome and won 3-0 in the third.

Columbia Wins Division

Columbia, with 38½ points, won the second division title, defeating second-place Kenwood by five points. Belle Haven and River Bend both finished the season with 35 points apiece to create a play-off for the third division title.

The Country Club of Fairfax won the fourth division championship with 35½ points. Standings and results:

Chevy Chase Pulls Surprise In Team Golf

If Army Navy Country Club ever regains first place in the first division, which it has held the last four years of the Women's District Golf Association team matches, part of the credit must be tendered Chevy Chase.

Yesterday at Country Club of Fairfax, in the fourth round of the round-robin matches, Chevy Chase surprised the leading Bethesda team with a 6-3 triumph, while Army Navy moved up smartly into second place by beating Argyle 7½-2½.

Brooke Manor and Indian Spring split 4½-4½ in the other first-division match, while host Fairfax was idle and yielded second position.

Bethesda held first place with its total of 23½ points, but Army Navy now is only 5½ back, and Bethesda will be the host club Tuesday and can't improve. However, that day Army Navy and Fairfax collide in the feature attraction, which could be close.

Mrs. Jay Cone and Mrs. John Call got Bethesda off to a 3-0 start yesterday, but the rest belonged to Chevy Chase as the twosomes of Mrs. William Bennett-Mrs. Hartwell MacCartney and Mrs. Paul Streit-Mrs. Arnold Willcox swept their matches.

Mrs. Bennett chipped and putted exceptionally, to blend with her usual long game, and Mrs. Willcox, as a substitute, teamed well with Mrs. Streit's putting support.

Fairfax Golfers Upset, 8½-1½

Bethesda Women Take Lead

Bethesda Country Club took the first-round lead in the Women's District Golf Association team championship yesterday at Army Navy Country Club, upsetting the Country Club of Fairfax, 8½-1½.

Army Navy, the defending titlist, had a bye. In other matches, Chevy Chase defeated Brooke Manor, 6-3 and Argyle trounced Indian Spring, 5½-3½.

The Country Club of Fairfax figured to be the team Army Navy would have to beat for the title. But in yesterday's opener the Virginia club averted a complete rout by getting a half point in the first foursome.

Second-round matches are scheduled for Thursday at Indian Spring, when Army Navy makes it debut in a match with Bethesda.

Bethesda Reclaims Slim WDGA Lead

By Maury Fitzgerald
Washington Post Staff Writer

Bethesda used a 5-4 victory over Argyle and a big assist from Chevy Chase yesterday at Brooke Manor in regaining the lead in the Women's District Golf Association team championship.

Chevy Chase, in defeating Army Navy, defending champion, 5-4, also moved into contention in the closest race for the title in the history of the event.

With only one match remaining in the round-robin competition, Bethesda, with 28½ points, leads Army Navy by only a point. Chevy Chase is 1½ points off the pace and Fairfax remains a contender, trailing the leader by only three points.

In Thursday's final, Army

Navy, seeking an unprecedented fifth straight title, plays Indian Spring. Bethesda faces Brooke Manor and Chevy Chase takes on Fairfax in the last of the seven-match series.

Argyle wound up its seven matches yesterday and finished the season with 22 points and a chance to occupy the cellar for the first time.

In the fifth division, Columbia defeated Argyle, 6-3, to win with 27½ points. Nearest in pursuit was Army Navy with 21½ points.

Army Navy Women Tie for D.C. Team Lead

Army Navy, defending Women's District Golf Association team champion, pulled into a tie for this year's lead with idle Bethesda yesterday by defeating Fairfax in a fifth-round match, 5½ to 3½.

The Virginia service club team and Bethesda go into Tuesday's sixth round with 23½ points apiece. Chevy Chase, Army Navy's opponent in the next round, is third in the standing with 22.

Chevy Chase, in yesterday's competition at Bethesda Country Club, defeated Indian Spring, 7½-1½. In the other championship match, Brooke Manor upset Argyle, 6-3.

Mrs. Ned Looney sank an eight-foot birdie putt on the 18th green to give Army Navy its edge over Fairfax and a tie with the surprising Bethesda team. Mrs. D. K. Holman of Fairfax dropped a 15-foot birdie on the last green and Mrs. Looney needed her putt to keep from losing the back-nine point and tying the 18-hole point. Results:

Share of Lead In WDGA Goes To Army Navy

The Women's District Golf Association team matches take tomorrow off to make way for the annual Keefer Cup tournament, leaving a full week for the ladies to ponder the first-place deadlock in the first division before returning to action Tuesday at Brooke Manor.

Yesterday at Bethesda Country Club, defending champion Army Navy finally caught up with the host team in first place by edging Country Club of Fairfax 5½-3½. Bethesda, which was idle, and Army Navy now have 23½ points each with two matches remaining.

Chevy Chase crept up on the leaders and is only 1½ points behind after trimming Indian Spring 7½-1½. Brooke Manor broke open a tight struggle with Argyle by sweeping all three points in the last foursome for a 6-3 victory.

The feature pairing yesterday was the last completed, and Army Navy was trailing until Mrs. J. H. Belser and Mrs. J. R. Holzapple swept the points in the last foursome. They had a prohibitive 7-up lead at the turn and won the back nine 1 up.

In the first foursome, after halving the front nine, Mrs. Ned Looney put Army Navy in front with a winning par on the 15th hole and save the margin with a four-foot birdie putt on the 18th, after Mrs. D. K. Holman of Fairfax had sunk a six-footer for a birdie. Army Navy won by 2½-½, but it would have been a 1½-1½ split without Mrs. Looney's pressure putt.

The middle foursome resulted in a 3-0 sweep for CC of Fairfax as Mrs. J. R. Gessley teamed well with Mrs. R. L. Bryant, who had an unofficial 79. They won the front nine 2 up and the back 1 up.

Next Tuesday, Bethesda meets Argyle, Army Navy takes on Chevy Chase, which upset Bethesda last Thursday, and Fairfax faces Indian Spring.

2 Title Teams Eliminated in Women's Golf

Kenwood has been unseated from its second-division championship and Prince Georges replaced as fifth-division winner, and the same could happen tomorrow to Army Navy in the featured first division of the Women's District Golf Association team matches.

Thanks to Chevy Chase's late charge, the first division is the closest struggle in the five brackets entering the final round tomorrow. Only three points separate the top four clubs, with Bethesda back on top with 28½, followed by defending champion Army Navy with 27½, Chevy Chase 27 and Country Club of Fairfax with 25½.

The top standings tightened further yesterday at Brooke Manor as Bethesda squeezed by Argyle 5-4 and Chevy Chase nipped Army Navy by the same count. CC of Fairfax moved up by taking Indian Spring 6-3.

Tomorrow's schedule at Argyle lists Army Navy against Indian Spring, Bethesda against Brooke Manor and Chevy Chase against Fairfax.

Meanwhile, Columbia clinched the second-division title yesterday with a total of 38½ points, 10 in front of Kenwood, and Congressional won the fifth division with a final total of 27½.

Argyle Scores In Return to First Division

With defending champion Army Navy the host club yesterday in the first division, and therefore idle, the other six entries in the top bracket tried to discover which would be No. 1 challenger to the perennial winners of the Women's District Golf Association team championship.

Bethesda and Chevy Chase scored decisive victories, but Argyle returned after a year's absence from the first division and also was impressive in a 5½-3½ triumph over Indian Spring.

Mrs. Webb Hayes fired a 78 for Chevy Chase as she and Mrs. Charles Hawley scored a 3-0 sweep over Winifred Faunce and Claire Burns, setting in motion a 6-3 victory over Brooke Manor, last year's runner-up to Army Navy.

Bethesda's 8½-½ near sweep over Country Club of Fairfax was a surprise in the size of margin alone. The twosomes of Mrs. Jay Cone-Mrs. J. P. Call and Mrs. William Kloeppfer-Mrs. James Wueste scored upset in the first two four-somes for Bethesda.

Chevy Chase Women Post Golf Upset

Bethesda Country Club suffered its first defeat in four Women's District Golf Association team matches yesterday at the Country Club of Fairfax, but still managed to retain its lead in the standings.

Bethesda was upset by Chevy Chase, 6-3, in a match in which Bethesda's only points were registered by Mrs.

Jane Cone and Mrs. John P. Call in the first foursome.

Army Navy, the defending titlist, won a lopsided 7½-1½ victory over Argyle to take a giant stride toward a successful title defense. The Virginia club will play the Country Club of Fairfax on Tuesday and could wrest the lead from the idle Bethesda team.

Bethesda has 23 points while Army Navy is in second place with 18. Fairfax, idle yesterday, is in third place with 16 points.

Mrs. Cone's Putts Pay Off

Bethesda WDGA Team Wins, Strengthens Lead

Mrs. Jay Cone preserved Bethesda Country Club's unblemished record in the Women's District Golf Association team championship yesterday with sensational putts on the 17th and 18th green at Chevy Chase Club.

Mrs. Cone dropped an eight-footer to halve No. 17 with a par, and at the 18th the Bethesda club's No. 1 player sank

a birdie putt from 25 feet to give her team a 5½-3½ victory over Indian Spring.

Mrs. Cone and Mrs. John P. Hall won the front nine point, but were in danger of losing the back nine and 18-hole points until Mrs. Cone's putter came to the rescue.

Bethesda now has a total of 20½ points for three matches and leads second-place Country Club of Fairfax by 4½. Fairfax climbed into second place by toppling Argyle by a surprising 7½-1½ score.

Army Navy, defending champion, routed Brooke Manor, 8-1, and advanced to fourth place in the standings with 10½ points. The Virginia service club, however, has played only two matches.

Bethesda Country Club proved yesterday at Indian Spring that Tuesday's first-round victory over the Country Club of Fairfax in the Women's District Golf Association team championship was no fluke.

Bethesda retained the league lead by defeating Army Navy, defending titlist, in the second round, 6½-2½.

The surprising Bethesda team took all six points in the first two foursomes, allowing the champions to score only in the final match.

Argyle moved up into second place by defeating Chevy Chase Club, 6½-2½. Fairfax rebounded from its first-round defeat with an 8-1 victory over Brooke Manor.

Bethesda Women Take Lead

Bethesda Country Club took the first-round lead in the Women's District Golf Association team championship yesterday at Army Navy Country Club, upsetting the Country Club of Fairfax, 8½-1½.

Army Navy, the defending titlist, had a bye. In other matches, Chevy Chase defeated Brooke Manor, 6-3 and

Argyle trounced Indian Spring, 5½-3½.

The Country Club of Fairfax figured to be the team Army Navy would have to beat for the title. But in yesterday's opener the Virginia club averted a complete rout by getting a half point in the first foursome.

Second-round matches are scheduled for Thursday at Indian Spring, when Army Navy makes it debut in a match with Bethesda.

River Bend Wins In Women's Golf

River Bend Country Club, a new member of the Women's District Golf Association this year, fielded only one team in the WDGA team matches, and yesterday that team carried off the championship in its division. In a playoff for the third division title at Lakewood, River Bend defeated Belle Haven 5½-3½. Belle Haven and River Bend tied for first place with 35 points each at the end of round-robin play a week earlier.

Team Match Rules

The Women's District of Columbia Golf Association
WASHINGTON, D. C.

PLEASE READ CAREFULLY

TO: ALL TEAM PLAYERS - 1968

In connection with the continuing efforts of the WDGA to combat SLOW PLAY, please be advised of the following regarding Team Match Play in 1967:

1. All matches will be timed - i.e., the host club representatives will be asked to record the time a group leaves the first tee and the time they report in at the end of the match. (If a foursome in Tournament Play is limited to 4½ hours, it would seem reasonable to assume 4 hours and no longer for a Team Match)
2. Please remember these two MUSTS -
 - (a) Any player who is obviously "out" of a hole, MUST PICK UP.
 - (b) If a match is over before the end of the normal 18 holes, the group IS REQUIRED TO WALK IN.
3. A player may concede an opponent's next stroke on the green in the play of a given hole. If such stroke is conceded, the opponent has no further right to strike the ball, and is automatically excluded from play of the hole.
4. BRACKETS need not proceed from the tee in order. This is brought to your attention for the reason that, in order to keep our fields moving, it is essential that those ready to play proceed without waiting to go in order by 1st, 2nd or 3rd bracket of team. YOUR COOPERATION IN THIS REGARD IS URGENTLY NEEDED.

RULES COMMITTEE, WDGA

Marie G. Spates, Chairman

Under authority vested in the
Rules Committee by the Executive Board

ALSO - please remember, we cannot afford to "tie up" golf courses and caddies or equipment for more than a reasonable time - in view of the privileges normal to members of a Club whose course has been "opened" to us for Team Matches.

Womens District Golf Association

Championship

Weitzen Wins Medal With 76

Mrs. William Weitzen of Indian Spring hardly ever strayed from the fairway yesterday, shot a four-over-par 76 and won the qualifying medal in the Women's District Golf Association championship at Brooke Manor.

Mrs. Weitzen made three birdies in taking the medal by two strokes, the first time in her long career that she was lowest qualifier in a major event.

"I've been a member of Indian Spring for 19 years and I played golf somewhat before that," she said, a roundabout answer as to the length of her competitive career.

Although she has won the Keefer, Corby and Evening Star cups during her career, Mrs. Weitzen's best performance in a major match-play event was gaining the semifinals of this tournament a few years ago.

Yesterday, Mrs. Weitzen achieved two of her birdies by sinking 30-foot putts on par-three holes, the 2d and 15th. She added her other birdie at the par-five 18th by sinking a short putt after chipping close from the fringe.

Two strokes behind Mrs. Weitzen in the qualifying were Lynn Mercer of Columbia, Mrs. Frank Cush of Argyle and Rebecca Doman of Brooke Manor, who won the Maryland Amateur on Saturday.

A new champion must be crowned because Mrs. R. E. Trebilco, the defender, has returned to her native Australia. The tournament concludes Friday. Today's pairings:

8:54—Mrs. William Weitzen (76), Indian Spring, vs. Mrs. F. H. Featherstone (82), Kenwood; 9—Mrs. Thomas Konopa (81), Argyle, vs. Georgia Mae McKeever (84), Argyle; 9:06—Lynn Mercer (78), Columbia, vs. Mrs. Joseph Smyth (83), Congressional; 9:12—Mrs. Murphy Booth (82), Manor, vs. Mrs. Morris Zuckerman (85), Indian Spring; 9:18—Mrs. Frank Cush (78), Argyle, vs. Mrs. Ben Frauwirth (83), Indian Spring; 9:24—Nina Crampton (82), Congressional, vs. Mrs. Harold Jack (85), Manor; 9:30—Rebecca Doman (78), Brooke Manor, vs. Mrs. Jay Cone (84), Bethesda; 9:36—Mrs. R. L. Bryant (82), CC of Fairfax, vs. Mrs. George Foster (85), Bethesda.

Mrs. Cush Wraps Up Second District Title

Mrs. Frank Cush of Argyle, putting and chipping with a deft touch, defeated Lynn Mercer of Columbia, 3 and 2, yesterday at Brooke Manor Country Club for her second Women's District Golf Association championship.

Mrs. Cush grabbed a 4-up lead through seven holes and then repelled the challenge with her short game.

Miss Mercer hooked practically every shot for the first seven holes as Mrs. Cush, who also won in 1958, sank a 10-foot birdie putt on the fourth hole and a 20-foot putt to salvage a par at No. 7 in going 4 up.

Putting tips by Jack Nicklaus, which Miss Mercer said she had been following in the newspaper, let her down for the first time today.

She missed a five-foot birdie putt at the eighth hole but won the next two holes with birdies. Miss Mercer chipped up and made a two-footer on No. 9 and was conceded a foot putt on the par-four tenth.

Miss Mercer cut the margin to a hole by winning the 11th with a par, but three-putted the next hole for a half and stayed one down when Mrs. Cush chipped close and sank her putt for par on the par-five 13th.

Mrs. Cush skulled a chip shot on 14, the ball hitting the fringe between a trap and the green and skidding eighth feet from the pin. She sank the putt to go 2 up, won the next hole when Miss Mercer took three from the fringe to get down and halved No. 16 with a chip and a putt for par.

Mrs. Weitzen Ends Drought In Golf Trials

Mrs. William Weitzen has been competing in Women's Golf Association events for almost two decades, but yesterday was the first time she ever led the qualifying.

The straight-shooter from Indian Spring fired a four-over-par 76 to win the medal over a field of 97 in qualifying for the WDGA championship at Brooke Manor.

Mrs. Weitzen has carried home cups from the Keefer, Corby and Star tournaments, but the best she's ever done in this premier event was to reach the semifinals several years ago.

She rolled in a 30-foot chip shot from just off the green for a deuce on the second hole and capped her day with a 30-foot birdie putt at 15 for another two.

In topping the rest of the field by two strokes, Mrs. Weitzen used only 29 putts under a hot sun on the 5,783-yard course. The first round of the championship and four other flights got under way today.

Rebecca Doman, who won the Maryland State title Saturday at Manor, was one of three bunched at 78. She figures to be the favorite in this event, too, which is being played over her home course.

Mrs. Frank Cush of Argyle, another consistent championship flight contender, played her usual steady game, tying Miss Doman with a late finish.

Pretty Lynn Mercer of Columbia, a recent graduate of the junior ranks, served notice she will be in contention with her 78, which included four three-putt greens.

Mrs. Roland Bryant of Country Club of Fairfax, who paced the qualifying the last two years, also had putting troubles and carded an 82. The only Virginian in the top 16 reached the final last year before bowing to Mrs. Raymond Trebilco, who had since left the area.

Today's pairings with qualifying scores:

Mrs. William Weitzen, Indian Spring (76) vs. F. H. Featherstone, Kenwood (82). Mrs. Thomas Konopa, Argyle (81) vs. Georgia Mae McKeever, Argyle (84). Lynn Mercer, Columbia (78) vs. Mrs. Joseph Smyth, Congressional (83). Mrs. Murphy Booth, Manor (82) vs. Mrs. Morris Zuckerman, Indian Spring (85). Mrs. Frank Cush, Argyle (78) vs. Mrs. Ben Frauwirth, Indian Spring (83). Nina Crampton, Congressional (82) vs. Mrs. Harold Jack, Manor (85). Rebecca Doman, Brooke Manor (78) vs. Mrs. Jay Cone, Bethesda (84). Mrs. Roland Bryant, CC of Fairfax (82) vs. Mrs. George Foster, Bethesda (85). —HERSHEY.

Quarterfinals Get New Look In District Golf

By STEVE HERSHEY
Star Staff Writer

Mrs. Jay Cone, who never had played in the championship flight of the Women's District Golf Association tournament before last year, is knocking off favorites and winning recognition.

Jackie withstood the challenge of everybody's choice, Rebecca Doman, the Maryland State champion from Brooke Manor, to squeeze out a 19-hole decision yesterday and advance to today's quarterfinals at Brooke Manor.

Mrs. Cone, a cute brunette from Bethesda, blew a 2-up lead on the last two holes, then rallied to win with a par on the 348-yard first hole. Today she faced another stiff test, taking on Mrs. Roland Bryant of the Country Club of Fairfax.

Mrs. Bryant, runner-up last year to Mrs. Raymond Trebilco, fired the best round of the muggy, but rainless day, touring 12 holes in even par while eliminating Mrs. George Foster of Bethesda 7 and 6. Mrs. Trebilco has moved and didn't defend her title.

Thinks Positive

"Think positive, I always say," Mrs. Cone laughed when she walked back from the first hole and found out who her opponent was today. "If you're going to win you have to beat the best."

Mrs. Cone, a former cheerleader at American University, was speaking from experience. Last year, when she finally made the championship flight after more than 10 years of trying, she was eliminated by Mrs. Bryant 3 and 2 in the semifinals at Country Club of Fairfax.

Even if she doesn't get by Mrs. Bryant, Mrs. Cone can point with pride to yesterday's feat. A week ago she failed to qualify for the Maryland State Amateur, a tournament Miss Doman went on to win.

"Jackie played real well," Miss Doman said after bogeying the first extra hole when she pulled her drive behind a bush. "It seemed like she was putting for birdies all day."

Mrs. Cone rolled in a 12-footer for a birdie on the 320-yard 4th hole and curled in a 10-footer for a deuce on No. 12. She missed a five-footer that would have ended it at 18, but got down in two from the fringe to win on the extra hole.

Another Newcomer

She wasn't the only newcomer to come through in eye-popping fashion. Lynn Mercer, a 19-year-old blond from Columbia,

Mrs. William Weitzen of Indian Spring, who paced the qualifiers with a 76, was upset by Mrs. F. H. Featherston of Kenwood 2 and 1. Mrs. Featherston today took on Mrs. Thomas Konopa of Argyle, a 19-hole winner over clubmate Georgia Mae McKeever.

In the other quarterfinal match, Mrs. Frank Cush of Argyle faced Mrs. Harold Jack of Manor. Mrs. Jack eliminated Nina Crampton of Congressional 2 up while Mrs. Cush got by Mrs. Ben Frauwrith of Indian Spring 2 and 1.

With Lynn Mercer

Mrs. Cush Gains District Golf Final

Lynn Mercer of Columbia, playing in her first women's tournament, and Mrs. Frank Cush of Argyle, who has played in many, yesterday reached the final of the Women's District Golf Association tournament at Brooke Manor Country Club. They meet today at 9:30 a.m.

Miss Mercer, a 19-year-old Rollins College sophomore, defeated Mrs. Thomas Konopa of Argyle, 3 and 1, while Mrs. Cush, the 1958 champion, eliminated Mrs. Roland Bryant of the Country Club of Fairfax, 4 and 3.

Erratic putting by Mrs. Konopa and Mrs. Bryant contributed to their losses.

Miss Mercer led Mrs. Konopa, 1 up, at the turn and Mrs. Konopa appeared on the way to evening the match, her ball resting only eight feet from the cup in two on the par-four tenth hole. Miss Mercer hit a poor drive, but chipped close and made par, winning the hole as Mrs. Konopa three-putted.

Miss Mercer won the 12th by getting down in two for par from off the green and went 4 up at the 13th when Mrs. Konopa again three-putted.

Mrs. Cush and Mrs. Bryant played evenly from tee to green, but Mrs. Cush held a 3-up lead after nine because of her superior putting and Mrs. Bryant could not catch up.

WDGA Medalist Ousted

Mrs. Weitzen Loses To Mrs. Featherston

Mrs. R. H. Featherston of Kenwood defeated medalist Mrs. William Weitzen of Indian Spring, 2 and 1, as match play in the Women's District Golf Association championship began yesterday at Brooke Manor.

Mrs. Weitzen was one down at the turn, she drew even at the 15th hole only to lose 16, 17 and the match.

In another close match, Lynn Mercer of Columbia birdied the 17th and 18th holes to edge Congressional's Mrs. Joseph Smyth, 1 up. Six of the eight matches played were extended to at least 17 holes.

In other matches, Mrs. Thomas Konopa of Argyle scored a 1-up victory over clubmate Georgia Mae McKeever; Mrs. Murphy Booth of Manor eased by Mrs. Morris Zuckerman of Indian Spring, 5 and 3; Mrs. Frank Cush of Argyle defeated Mrs. Ben Frauwrith of Indian Spring, 2 and 1; Mrs. Harold Jack of Manor defeated Nina Crampton of Congressional, 2 up; Mrs. Jay Cone of Bethesda defeated Brooke Manor's Rebecca Doman, the Maryland amateur champion in 19 holes, 1 up; and Mrs. R. L. Bryant of Fairfax breezed past Bethesda's Mrs. George Foster, 7 and 6.

With Lynn Mercer, Mrs. Cush

Mrs. Bryant, Konopa Advance to Semifinals

Mrs. R. L. Bryant of Fairfax defeated Mrs. Jay Cone of Bethesda, 3 and 2, in the quarterfinals of the Women's District Golf Association championship yesterday at Brooke Manor Country Club. Mrs. Bryant was runnerup in the event last year.

Mr. Thomas Konopa of Argyle scored a 3-and-2 victory over Mrs. F. H. Featherston of Kenwood. Mrs. Featherston had eliminated medalist Mrs. William Weitzen of Indian Spring in the first round.

In contrast to Tuesday's opening matches, none of yesterday's matches was particularly close. Columbia's Lynn Mercer, former District junior champion playing in her first women's event, swept past Mrs. Murphy Booth of Manor, 7 and 6, and Mrs. Frank Cush of Argyle disposed of Mrs. Harold Jack of Manor, 5 and 4.

The semifinals are scheduled today with Konopa vs. Mercer at 9:20 a.m. and Cush vs. Bryant at 9:25 a.m. The tournament concludes Friday.

Brooke Manor Star Ahead by Stroke

Miss Doman Takes Keefer Cup Lead

By Maury Fitzgerald
Washington Post Staff Writer

Rebecca Doman, seeking an unprecedented third Keefer Cup golf victory, fired an opening-round 77 yesterday at Chevy Chase Club to take the lead in the 36-hole tourney.

Miss Doman, who won the event last year and in 1965, fashioned nines of 40 and 37 over the long, plush Connecticut Avenue course to be both the net and gross leader.

The Brooke Manor club star was the only player to break 80. Her net 71 gives her a stroke lead over Mrs. Thomas Konopa, the 1966 champion, going into today's final.

Mrs. Konopa, former Argyle Country Club titlist, posted 42-38-80. Her eight-stroke left her only a shot behind in the battle for the top prize.

Next in line with net 73s were Mrs. William Weaver, Chevy Chase; Mrs. Paul Dean, Brooke Manor, and Mrs. T. J. Verell, Belle Haven.

Miss Doman, whose great length off the tees gives her an advantage over the lengthy Chevy Chase course, had six fives on the front nine, augmenting that collection with a

four at the first hole and threes at the fourth and ninth. Miss Doman had only one five on the back nine. She parred the par-three 10th and 13th holes, took a double-bogey six at 14 and had fours on the other holes.

Thirty-six players qualified with nets of 78 or better for the final round. Their scores:

Mrs. Konopa Wins District A Golf At Indian Spring

As manager of Governors House hotel in Bethesda, Mrs. Thomas Konopa of Argyle hasn't been able to practice her golf game in the last five years, but at least this season she has managed to get in 25 rounds.

Her latest round was victorious yesterday for the first time since the 1966 Keefer Cup, as she won the Women's District Golf Association's Class A WRC Cup at Indian Spring.

Mrs. Konopa shot 40-40-80 on the windy Chief course, and deducted her eight handicap strokes for a winning net 72. Included was an eagle-3 on the 12th hole, accomplished with a drive, 3-wood and a 70-yard wedge shot into the cup.

Mrs. Booth Takes 2nd Corby Cup

Mrs. Murphy Booth took a long recess from golf to raise four children, and one of the results was that it was 32 years between her first and second victories in the Corby Cup, the Class A tournament of the Women's District Golf Association held annually at Columbia.

As Marion Brown she was a champion in city, state and sectional events in the 1930s and '40s, but as Mrs. Booth she has been playing again only the last several years. Yesterday she sealed her comeback with victory on the first extra hole of a playoff for the Corby.

In a field of 57 contestants, Mrs. John Connolly of Washington, 18-year-old Pat Blanche of Manor and Mrs. Booth, also of Manor, tied for first with net 72s. Mrs. Booth birdied the first extra hole with a 10-foot putt, after her opponents both missed the green, to make short work of the playoff.

Match of Cards Gives Nina Crampton Trophy

By STEVE HERSHEY
Star Staff Writer

There was a three-way tie for the top prize in The Star Cup Class A women's golf tournament yesterday and no one wanted to play it off.

It was pouring, like buckets, at Washington Golf and Country Club when final finishers Robbye King and Mrs. Roland Bryant, two pretty gals several hours earlier, sloshed to the 18th green looking like drowned ducks.

Surprisingly, neither of the two low handicappers could top nor match the leading net score of 76 and the dry trio in the grill decided to stay that way and match cards.

Nina Crampton of Congressional came out on top when her 85, with a nine handicap, out-matched Mrs. William Weitzen of Indian Spring and Mrs. Lloyd Dennis of the host club.

First Cup Ever

"This is my first cup ever, honest," Nina exclaimed at the presentation ceremonies. "I've been playing in these events for ages and never won before."

She wouldn't have been able to take the giant cup home yesterday if Mrs. M. R. Shiff, a tournament official from Argyle, hadn't made a hurried trip down the road to Army Navy club to pick up the silverware. It had been left there by last year's winner, Mrs. Raymond Trebilco, who since has moved.

Miss Crampton, for one, is glad Larry Wise is back from the PGA tour and giving lessons again at Congressional.

"Larry has helped me a lot this spring," Nina explained.

"He's the one who helped me improve my game."

Miss Crampton birdied the par-five eighth hole with a good chip and a short putt and got a two at the 168-yard 14th with a four-wood and an eight-footer. She also survived two sevens, one on the par-four 10th when she drove out of bounds.

Low Gross Prize

Mrs. Weitzen, the medalist at the Women's District Golf Association last week at Brooke Manor, took the low gross prize with her eight-over-par 82. Mrs. Dennis, a 12-handicapper, won second low net.

Mrs. Frank Cush, the Argyle veteran who won the WDGA title last Friday, said, "I was on vacation today," after shooting an 86 to tie Mrs. Bryant for second low gross.

"We had four holes to go when the rain hit," Mrs. Bryant said. "We were soaked anyway, so we thought we'd finish."

"We figured you would think we were playing real well if we finished," Miss King chimed in. "That's why we played out."

Net prize winners:

Mrs. Frank Cush has a new philosophy for Women's District Golf Association tournaments — don't prepare for them and, most certainly, don't worry about them.

Mrs. Cush, who has been entering these affairs since 1951, would never have been asked her preparation formula except for one thing, she won the championship yesterday at Brooke Manor.

As a veteran of 17 years of WDGA competition, Gerry almost is taken for granted. She's always a contender and, well, she used to win.

This spring the redhead from Argyle Country Club was saddened by the death of her father, who had lived with her. She neglected her game and didn't touch a club during the month of May.

Finds Remedy

"I've played a few rounds, but I certainly haven't practiced," Gerry admitted yesterday after accepting congratulations for turning back the challenge of young Lynn Mercer of Columbia 3 and 2 in the finals. "Maybe that's the way to do it, don't worry, just come out for a good time."

Mrs. Cush found the remedy

exactly 10 years ago, when she finished on top at Norbeck. That year she also won the Maryland State amateur crown.

She plunged into WDGA competition in 1951, but it was four years later before she could lower her 18 handicap enough to gain entrance to the championship flight.

Her first championship, the Maryland State, came the following year. Then in 1958 Mrs. Cush swept both the Maryland and District titles. She missed out in the Middle Atlantic tournament, but won that the following summer. She added another Maryland State crown in 1961, but since then it's been close, but no top prize.

Putting, Chipping Tell

This year the tipoff came in the qualifying round when Mrs. Cush tied for second with a 78 and said she didn't play well. She knocked off Mrs. Ben Frau-wirth of Indian Spring 2 and 1 in the first round and then caught fire. Mrs. Harold Jack of Manor bowed 5 and 4 and highly regarded Mrs. Roland Bryant of Country Club of Fairfax was eliminated 4 and 3.

As in the previous two days, it was putting and chipping that won for Mrs. Cush yesterday.

She stunned Miss Mercer with a 10-foot birdie putt on No. 4 and then rammed in a 20-footer to win the seventh hole with a par. Miss Mercer, a 19-year-old from Rollins (Fla.) College, put on her only surge of the match, rallying from 4 down to win 9 and 10 with birdies and 11 with a par, but it only brought her to 1 down and she flubbed her chance at No. 12.

Lynn's iron shot to the 134-yard hole landed 8 feet from the cup, but she took three putts and only halved the hole. She didn't win another one as the experienced Mrs. Cush parred the next four.

Miss Doman Leads by Shot Going Into Keefer Cup Finale

By DICK SLAY
Star Staff Writer

Except for the weather, not much has changed in the Keefer Cup women's golf tournament in the last year. Defending Champion Rebecca Doman has played only a half-dozen or so rounds this spring, she's not hitting the ball to her satisfaction, and she is leading again.

Miss Doman, the working girl from Brooke Manor Country Club, fired a 49-37-77 yesterday at Chevy Chase, three strokes better than anyone else in the starting field of 68, but her lead for the Keefer Cup was only one stroke in the net figures, entering today's second and final round.

With her six handicap, Rebecca had a net 71, only a shot ahead of Argyle's Mrs. Thomas Konopa, who won the cup two years ago. Mrs. Konopa scored 42-38-80, minus 8 handicap strokes for a net 72.

Last year in the Keefer, Miss Doman was tied the first day

with clubmate Mrs. Paul Dean at net 75, and won the next day on the second extra-hole of a playoff with Mrs. William Weitzen of Indian Spring.

There was a cold wind the first day a year ago, and net 84s made the cutoff of low 32 and ties. Yesterday's warm sun helped lower the cut score to 78, and there were some prominent casualties. These included Mrs. Jay Cone of Bethesda and Mrs. Harry Hirshberg of Indian Spring, both of whom had 88-8-80, and Mrs. Walter Goodrich of Fairfax, 91-8-83.

Miss Doman, a systems analyst at IBM, shot her six-over-par 77 despite an attack of slicing, a rare malady for her. She picked it up on the practice tee last week in preparation for this tournament.

"I couldn't straighten it out, so I just played slice," she said. "Really, I was just trying to get under the wire so I can play tomorrow."

Then she scheduled another

practice session last night at the University of Maryland. She may need the work, because there were eight contestants within four shots of the lead entering the last round.

KEEFER CUP WINNER

Mrs. Dean Continues Climb in District Golf

By DICK SLAY
Star Staff Writer

Mrs. Paul Dean was raised on a Tennessee farm in the depression years and played AAU basketball for Nashville Business College after World War II. It was a while before she turned to golf in the early 1960s, but she has been wasting little time since.

In only her fourth year of

competition in the Women's District Golf Association, the long hitter from Brooke Manor yesterday won her first major championship, the Class A Keefer Cup at Chevy Chase.

Defending champion Rebecca Doman, another Brooke Manor player who led after Wednesday's first round with 77-6-71, lost out yesterday when she bogeyed five of the last six holes in the gusty winds of early afternoon, scoring 41-40-81 for a 36-hole net total of 146.

Mrs. Dean was five over par on the last four holes, finishing with two three-putt greens for two double bogeys, but scored 80 for a net 145 total.

The difference was Mrs. Dean's one-over-par front nine of 37, and her 8-handicap, compared to Miss Doman's 6. Both were troubled by three-putting and approach shots that landed in traps.

Mrs. Thomas Konopa of Argyle, only a stroke behind after the first round, faded with an 87 for a net 151 and a tie for seventh place.

After Mrs. Dean captured the big Cup and Miss Doman the low gross prize with 158, Mrs. T. J. Verell from Belle Haven won second net with 147 and Mrs. William Weitzen of Indian Spring second gross. Mrs. Weitzen's 37-42-79 was yesterday's low round, for a gross total of 161.

Two years ago Mrs. Dean was a Class B player. She won the first tournament in her category, the Class B Star Cup, then graduated to the higher bracket and won the Class A Post Cup several weeks later.

Despite Poor Finish

Mrs. Dean Wins Keefer Cup By Stroke Over Miss Doman

By Maury Fitzgerald
Washington Post Staff Writer

Mrs. Paul Dean survived a bad case of the putting jitters on the last two greens yesterday at Chevy Chase Club, but still managed to win the Keefer Cup golf tournament with a 36-hole net score of 145.

Mrs. Dean, a Government worker who plays golf only on weekends and late afternoons, fired a final gross round of 80 (a net 72) to edge her Brooke Manor clubmate, Rebecca Doman, by a stroke.

Miss Doman, seeking an unprecedented third title and the first-round leader, gained some solace in winning low gross 77-81-158. The 1965-1967 titlist three-putted three times and missed two birdie putts of less than five feet in her final round.

Mrs. Dean, whose only other major tournament victory came in The Washington Post Cup two years ago, began her surge to the title with 37 on the tougher front nine. She came to the 17th needing par in for a 76, but double-bogeyed both holes, three-putting each green.

Mrs. Dean started the day in

a three-way tie for third place with 81-8-73. She took the lead at the end of nine holes and had the tournament record in her grasp until she ran into trouble on the final two holes.

Mrs. Johnson Wins Evans Cup In WDGA Play

If Mrs. Howard Johnson of Manor Country Club happens by the race track the next couple nights, it could be profitable to peek over her shoulder for a few tips. She's having quite a week, and it's not all luck.

Tuesday at Manor she scored her third hole-in-one, and yesterday she won the Women's District Golf Association's Class B Mark Evans Cup at Bethesda. Despite membership the last four years in the WDGA, Mrs. Johnson was playing in only her second tournament.

The petite blonde shot 92 and deducted 16 handicap strokes for a net 76 and victory. Mrs. A. J. Nelson of Brooke Manor, a 14-handicapper, took down the low gross prize with a 91.

Mrs. Wald Takes Title In Star Cup

Mrs. Harry Wald of Indian Spring had never seen the course at Army Navy Country Club before yesterday's Evening Star Class B Cup tournament. She was relaxed, therefore, and expecting no miracles, an attitude which probably helped greatly toward victory.

A member of the Women's District Golf Association for only three years, and a golfer only four years beyond that, Mrs. Wald put together a round of 42-44-86, which with her 16 handicap netted 70 for the title. Women's par at Army Navy is 74.

Gable Cup Taken By Mrs. Anson For Second Year

It was the doctor's day off, so the nurse played golf.

Mrs. Robert Anson of Congressional Country Club has missed most of the Women's District Golf Association tournaments this summer because of her work, but took advantage of a free day yesterday to win the Class D Gable Cup at Kenwood in a playoff.

Mrs. Anson shot 92 with her 20 handicap for a net 72 and tied Mrs. W. C. Densmore of Belle Haven, who also had 92-20-72. Mrs. Anson won with a bogey on the first extra hole to repeat her victory of last year in a three-way playoff. Mrs. Densmore took the gross prize.

Welcome Trans-Mississippi Tournament!

THE BOARD of Governors at Manor Country Club voted unanimously to accept the 1970 women's Trans-Mississippi championship. Manor Club was asked several weeks ago to become the first club in the east to hold the prestigious event . . . Manor also had the distinction of being the first club in the east to host the Western Golf Association's junior championship

MORGAN TILLER thinks his protege, Jo Ann Dost, is destined to become the finest feminine golfer ever developed locally. And Tiller, former college football coach, athletic director and end for the Pittsburgh Steelers, should know an athlete when he sees one. Miss Dost, 17, already has won the District and Maryland state junior girls titles. Tiller, pro-manager at the Island View course, predicts Miss Dost will eventually win a national title. The pretty youngster finished 14th in qualifying for the recent USGA Junior girls championship. She also won the recent Tournament of Junior champions at Manor Club . . . Joe Difato retained his Bethesda Country Club junior title and Max Elbin Jr., son of the National PGA president, was the medalist. Tim Daniel, son of WTOP's baseball broadcaster, was awarded the Fred Hussey Memorial Trophy for outstanding sportsmanship . . . Fourteen-year-old Don Strong sank a four-wood shot on the 380-yard par-four fifth hole at Lakewood for an eagle.

Emmet has at home a file of about 800 current juniors whom he tries to keep busy every week of the summer. Over the last 15 years or so the Women's District Golf As-

sociation has tried to achieve something on a much smaller scale for its junior girls.

The girls simply haven't responded to the urging of their elders to compete. Last week there were only nine girls trying to qualify for the 18-hole match play at Argyle in the WDGA Junior championship, but there was an encouraging turnout of 31 beginners for Friday's nine-hole medal tournament.

Mrs. Willard E. Brown of Kenwood is the WDGA junior chairman this year and, after some misgivings at taking over the project, she has become very enthusiastic over the progress this summer. For instance, several young ladies at Kenwood were reluctant to participate in the first tournament in June for fear of being embarrassed.

Mrs. Brown recruited them to help her run the tournament and their fears dissolved. In the next three cup events, Kenwood's Becky Noga, 11, Susie Galup, 12, and Margay Featherston, 11, each won a nine-hole tournament.

What the junior girls lack, however, is a Frank Emmet to run the show for years on end.

Medalist Takes Girls Golf Opener

Joanne Dost of Westwood, who was medalist with an 83 in qualifying Tuesday, breezed through her first-round match yesterday, 9 and 8 over Columbia's Linda Meyer, in the Women's District Golf Association Junior championship at Argyle.

Pam Clark of Army Navy ousted Sally Weaver of Columbia 7 and 6, Claire Porter of the host club won by the same margin from Lakewood's Meridith Strawn and Linda Casanova of Brooke Manor defeated Christy Saridakis of Argyle 4 and 3.

Semifinals are scheduled today and the final tomorrow, along with a medal tournament for some 30 nine-hole beginners.

Joann Dost Wins In WDGA Junior

Joann Dost, a 17-year-old brunette from Westwood Country Club who was a recent quarter-finalist in the U.S. Junior Girls golf championship, had a three-year advantage and too much experience for Pam Clark of Army Navy yesterday in the Women's District Golf Association Junior final at Argyle.

Miss Dost defeated her 14-year-old opponent 6 and 4, then played in to complete an 83 score.

CHAMP IN FROM THE WEST

Army Navy Girl a Bright Prospect

By STEVE HERSHEY
Star Staff Writer

Army Navy Country Club, which has had more than its share of topflight women golfers, has come up with another who just might have the brightest future of them all.

Jackie Evans, a comely 18-year-old brunette, came quietly into the area last July but quickly caught the eye of area golfers with her impressive victory in the Middle Atlantic Junior girls tournament.

The freshman at George Mason College has graduated from the junior ranks and now is on the brink of her first season of women's competition.

"She'll be tough to beat now and she's going to improve," forecasts Steve Tobash, the head pro at Army Navy, who has watched the likes of Robbye King, Mrs. Raymond Trebilco and others tee up at his Arlington club.

Top-Flight Team

Army Navy has won the Women's Class A team championships for the last four years with such stalwarts as Mrs. I. W. Elliott, Mrs. E. W. King, Mrs. R. A. Chapman and Mrs. D. W. Payne—all sub-10 handicappers.

Miss King, a past winner of the Maryland, Virginia, District and Middle Atlantic titles, is probably the area's top performer, but her school teaching duties have kept her away from many recent tournaments.

Mrs. Trebilco took the area by storm last year, sweeping many honors including The Star Cup and the Women's District championships. However, her hus-

band, a wing commander in the Royal Australian Air Force, has been transferred, leaving a void at the No. 1 spot on Army Navy's defending team championships.

Miss Evans won't get that spot this year because she wasn't in on the qualifying last fall, but it could be hers in the near future.

Jackie, who owns a string of championships from Texas to Kansas, is quick to admit that from what she's seen, this area has more good women golfers than any area she's visited.

Among her titles are the Kansas State Amateur, which she won at 14, three years after taking up the game. She captured the state junior crown in '63, '64 and '65. The next year she won the San Antonio city championship and was runner-up in the Texas State Amateur.

Military Travel

Jackie has done quite a bit of traveling as the daughter of Lt. Col. Jack Evans, an 11-handicapper who taught her the game. And, although she came in on the tailend of last summer's competition, she was greatly impressed with the number of tournaments here.

"In Kansas it seemed like you practiced all summer for one or two tournaments in August," she explained. "It was discouraging at times. But here, there's always something to work for."

At the moment Jackie is working every morning at the Army Navy pro shop, selling women's apparel and gazing longingly at the first tee. Her afternoons are

spent working toward a degree in biology.

"I can't wait for summer," she says, echoing the thoughts of most students, whether they plan a full tournament schedule or merely warm days by the pool.

"I plan to enter as many tournaments as I can, I mean as many as my boss Mr. Tobash will let me," she smiled.

The betting here is that Tobash will let her out of the shop anytime he thinks she can do well. That would be every event.
