7th Title Taken By Army Navy In Team Golf

Army Navy Country Club's first division women's team has clinched its seventh championship in the last eight years in the Women's District Golf Association matches, with tomorrow's final round at Washington GCC featuring only a battle for second place.

Army Navy disposed of its principal challenger, Bethesda, 8½-½ yesterday at Prince Georges for a total of 38 points for the season. Argyle, which got by Indian Spring 6-3, moved into second place with 28 points but can't catch the leader even with a 9-0 sweep tomorrow.

Washington defeated Manor 7-2 in the other first-division match at Prince Georges and finished with 21 points, because it is idle tomorrow as host team. The final round pits Prince Georges against Manor, Bethesda against Argyle and Indian Spring against Army Navy.

One other division was settled yesterday. Kenwood clinched the fourth bracket with 35½ points to runner-up Indian Spring's 25½. Columbia won the fifth division last week.

Bethesda Women Hold Shaky Lead in Golf

Bethesda Country Club will serve as host for the Women's District Golf Association's first division team matches tomorrow, giving defending champion Army Navy an opportunity to make up ground in the standings.

Bethesda still leads with 21½ points after three rounds, including a 6-3 victory over Manor yesterday at Indian Spring, but cannot add to its total tomorrow because as host club it will not play. Army Navy already has had its open date.

Army Navy yesterday gained a point on Bethesda with a 7-2 victory over Washington GCC for a total of 15½. Argyle also gained a point with a 7-2 triumph over Prince Georges. Both matches were at Indian Spring.

Bethesda lost two points in the No. 1 foursome yesterday when Manor's Kathryn Diggs fired a 38 on the back nine of the Chief course to take the second nine and the 18. How-

ever, Bethesda's new tandem, Mrs. Barry Marks and Mrs. Don Miller, swept all three points in the last group to keep the leaders on top.

Bethesda's WDGA Lead Could Face Rough Test

Bethesda Country Club's early half-point lead in the Women's District Golf Association team matches should prove difficult to protect tomorrow when the first division round-robin competition moves to Argyle for the second stop.

Bethesda stepped in front yesterday in the first round played at Army Navy's Fairfax course by defeating Prince Georges 7½-1½, as Indian Spring downed Manor, 7-2, and Washington GCC eased by Argyle 5½-3½. Defending champion Army Navy was idle because it was host team.

Tomorrow at Argyle, Bethesda must take on Washington, while Indian Spring figures to have an easier task against Prince Georges and Army Navy jumps into action against Manor.

Bethesda Women Retain Golf Lead

Bethesda Country Club held its lead in the Women's District Golf Association team matches yesterday by turning back Washington GCC 8-1, but the Maryland golfers are nervously looking over their shoulders.

Defending champion Army Navy, which drew a first-round bye, served notice that it again will be hard to beat as it opened with an 8½-½ triumph over A Manor. Indian Spring and Prince Georges split 4½-4½.

Indian Spring Gives Boost to Army Navy

Indian Spring gave Army Navy's hopes of a third straight Women's District Golf Association team championship a big boost yesterday in the fifth round of the round-robin event at Manor Club.

Indian Spring upset Bethesda, 1968 champion and Army Navy's chief rival, 5-4. Army Navy eked out a 5-4 victory over Argyle and now leads Bethesda by four points with two matches remaining on the schedule.

In the other match, Prince Georges defeated Washington, 5-4. Results:

Bethesda CC Leads Women's Golf

Bethesda Country Club took the opening round lead in the Women's District Golf Association round-robin team championship yesterday at Army Navy Country Club's Fairfax course, defeating Prince Georges Golf and Country Club, 7½-1½.

The 1968 champions could have won by an even wider margin but for two dinky misses on the last green in the first foursome. Mrs. Jay Cone

three-putted from 20 feet and Mrs. George Foster fouled up an 18-incher, forcing Bethesda to settle for a 1½-1½ tie.

However, Bethesda's second and third groups scored 3-0 victories, giving Bethesda a half-point lead over second-place Indian Spring, which polished off Manor, 7-2.

In the other match, Washington pulled off the only upset, defeating Argyle, 5½-3½. Army Navy, champion in

1969 and 1970, drew a first-round bye. Results:

STAR Army Navy Near Record In WDGA

This wasn't supposed to be one of Army Navy's stronger years in the Women's District Golf Association team matches, but the final standings in the first division say otherwise.

Army Navy clinched the first division championship last week and yesterday closed out the round-robin schedule with a 7-2 victory over Indian Spring at Washington Golf and Country Club.

It is Army Navy's seventh title in the last eight years, and its total of 45 points is only three behind the record established by the same club in 1967.

In the battle for second place Argyle eased by Bethesda 5½-3½ and finished runner-up for the first time since 1966, totaling 33½ points.

Manor edged Prince Georges 5-4 in the other match at Washington.

Army Navy Captures Lead in Women's Golf

Army Navy's perennially strong team has moved in front in defense of its Women's District Golf Association first division championship but the battle is only half over.

After yesterday's round of matches at Bethesda Country Club, only 6½ points separate the top four teams—Army Navy, Bethesda, Indian Spring and Argyle — and each must play the other three contenders in the remaining three round-robin dates.

Army Navy bolted to the front of the standing with a 9-1 whitewash of Prince Georges, totaling 24½ points in three matches so far, while Indian Spring and Argyle moved into contention with 7½-1½ victories over Washington GCC and Manor, respectively.

Army Navy's victory was the only sweep of all nine points this season by any team in the WDGA's five divisions. Bethesda, as host team yesterday, did not play and dropped to second place with its total of 21½ points in the first division.

Argyle climbed into second place with 28 points, defeating Indian Spring, 6-3. In the other match, Washington trounced Manor, 7-2. Results and standings:

Final Round Today

Mrs. MacCartney Leads Keefer Golf

By Maury Fitzgerald
Washington Post Staff Writer

Despite three-putting three greens on the front nine, Mrs. Hartwell MacCartney took the first-round lead in the 36-hole 39th annual Keefer Cup tournament at Chevy Chase yesterday.

Mrs. MacCartney, never a winner in 15 Keefer events, was out in 44 and back in 41 over her home course. Her

12 stroke handicap gave Mrs. MacCartney a stroke lead with a net 73.

Highlight of Mrs. MacCartney's round was a birdie at 10 where she rolled in a 15-foot putt on the lightning fast green.

Mrs. Jay Cone, Maryland State champion from Bethesda, posted 80-6-74, took the gross lead by five shots and was only one behind in the net division.

Biggest disappointment of the opening round was Mrs. R. A. Chapman who failed to qualify for the final round. The Army Navy player, who has been in 10 Keefer events and never failed to make the cut, had 94-10-84, three-putting the first, third and fourth greens and four-putting the second.

Mrs. Walter Goodrich of the Country Club of Fairfax took third net with 76.

District champion Mrs. William Weitzen of Indian Spring posted an 86-9-77 and finished in a tie for fourth with Mrs. Charles Hawley, Chevy Chase, 87-10-77; Mrs. Ben Frauwrith, Indian Spring, 88-11-77; and Mrs. Webb Hayes, Chevy Chase, 86-9-77.

A net 82 was required to make the cut on a day when most players were complaining about three-putting unusually fast greens.

Mrs. Cone Loses in Playoff

Mrs. Jack Takes Keefer Cup Golf

Mrs. Harold Jack of Manor won the Keefer Cup tournament yesterday at Chevy Chase Club, defeating Mrs. Jay Cone of Bethesda on the first hole of a playoff.

Mrs. Jack and Mrs. Cone finished the 36-hole Women's District Golf Association fixture with net scores of 154. Both took five on the first extra hole but Mrs. Jack won with a handicap stroke.

Mrs. Cone had a chance to keep alive in the playoff but took three to get down from just off the edge of the green.

Mrs. Cone, Bethesda champion, who had 80 in Wednesday's opening round, wound up the winner of first gross with 166 for the two rounds. She was 43-43-86 in round two.

Mrs. Jack, who finished in a four-way tie for the 10th in the first day's play with 91-12-79, posted 87-12-75 in the final round. She was out in 45 and returned in 42.

Mrs. Frank Cuth of Argyle played the back-nine of yesterday's round in a sensational 36 to take second net. The former Middle Atlantic, District and Maryland champion finished in a three-way tie for second at 155 but won on a match of cards.

Mrs. Peter Wisner, Prince Georges, was given third net and fourth place went to Mrs. A. A. Kopsak of Army Navy. Mrs. Hartwell MacCartney, the first round leader, took fifth net after having finished in a three-way tie for that position. Prize winners:

Chevy Chase Golfers Lead in Keefer Cup

By DICK SLAY
Star Staff Writer

Chevy Chase, the host club, was in excellent position today to produce its first Keefer Cup champion in nine years. Not only was Mrs. Hartwell MacCartney leading after yesterday's first round, but six other Chevy Chase players were within eight shots entering the final 18 holes.

Anything can happen in this net tournament, especially when the field has 14 contestants under 80. Mrs. MacCartney's opening 85-12-73 was good for only a one-stroke lead over Bethesda's Mrs. Jay Cone, who gummed up her finishing holes yesterday to report in with 80-6-74.

Cut Made at 82

Mrs. Walter Goodrich from Country Club of Fairfax had third place to herself with 86-10-76, but there were four at net 77, including Mrs. Charles Hawley and Mrs. Webb Hayes of the host club.

Chevy Chase also had Mrs. Arnold Willcox, Mrs. William

Bennett, Mrs. Paul Streit and Mrs. Landra Platt at net 81 or less. The cut for the low 32 and ties was made at 82, with 34 surviving.

Among the missing today were four former champions, including three from the last five years. Mrs. Thomas Konoa of Argyle, the 1958 and '66 winner, missed the cut with 95-8-77; Rebecca Doman of Argyle ('65-'67) shot 91-4-87 and last year's champ, Mrs. R. A. Chapman of Army Navy, had 94-10-84.

The scores were generally high yesterday because of the slick greens, an unusual condition for a course in this area at this time of year. Miss Doman, whose 4-handicap is the lowest in the Women's District Golf Association, said she had at least seven three-putt greens. Mrs. Chapman had 13 putts on the first four holes.

Not even the Chevy Chase members were immune. Mrs. MacCartney, a bookkeeper for a Georgetown dress shop, had been able to play her course only five times before yesterday and she three-putted three times on the front nine on the way to 44-41-85. Mrs. Hayes reported five three-putts.

Troubles Start at 13th

Mrs. Cone was an exception for 12 holes. The Maryland Women's champion, who was paired with Mrs. MacCartney, was only one over par until she three-putted the 13th, beginning a string of five bogeys and a triple bogey enroute to 38-42-80 and low gross.

The weather great, no sad lament,
When we came for this tournament.

For all who came and one who won!

The greens so fast, were hard to master
And often led to great disaster;
But not for **Margy Jack** from **Manor!!**
She fought and she brought home the banner!

IN MY OPINION

'The Ladies are Coming'

BY DON A. ROSSI, Executive Director, National Golf Foundation

■ The time is fast approaching when lady golfers will not tolerate "second-class-citizen" treatment on the nation's golf courses. In case you didn't notice, lady golfers increased at a much more rapid rate than men golfers in the past decade. In another 10 years, they may well outnumber the males. And we can be sure that in golf, as in other aspects of American life, women increasingly will demand fair treatment and opportunity — such as earlier starting times on weekends, after-golf facilities equal to those provided the men, and a stronger voice in the direction of club life generally. I think that the ladies deserve it and that — fear not, men — they will fulfill their broader role in club golf with intelligence and tact. In some respects they may even outshine the men — for example, the typical lady golfer already is far more conscientious about individual golf course maintenance — replacing divots, repairing ball marks, etc. — than the average male golfer.

Looking back on the 1960s, it seems to me that the women have brought an intense interest and participation to the game which has benefited everyone. We have the ladies to thank, principally, for the sense of fashion and color in golf today. The tremendous growth in the sales of soft goods through the golf shop has been a direct result of their participation in the game. The bulk of sales for most golf professionals today is in shirts, sweaters, slacks, skirts, blouses, hats, shoes and other items that are meeting a demand for colorful fashions — a demand that has been introduced and built by the lady golfer.

Even equipment has felt the effect of the lady golfer. Every shop displays ladies' bags in a variety of pastel shades and hues. Multi-color woods and pastel-colored golf balls are other products designed specifically for women golfers.

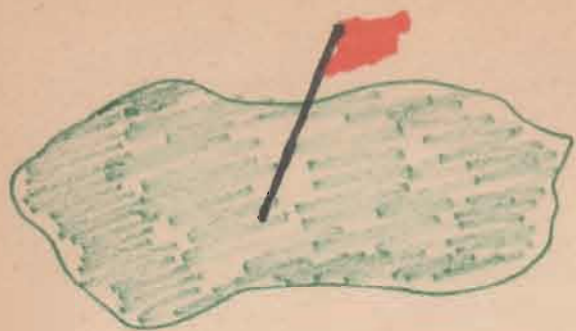

And let's not forget that the majority of people who donate their time and effort to conduct pro tournaments at golf clubs throughout the country are of the fair sex. Every stop on the PGA and LPGA tour benefits from the efforts of these tireless volunteers.

In future years the influence of women should continue to grow, not only in terms of playing the game, but in every other aspect of golf as well.

The American golf course, like the bowling alley and the billiards parlor, will never be the same now that the American woman has decided to be a full-fledged participant. And, just as women's participation has benefited both bowling and billiards, golf is a better sport today for everyone because of it.

We should appreciate the lady golfer and act accordingly.

District Championship

Mrs. Cone Again Tops Qualifiers for WDGA

If Mrs. Jay Cone were as strong at the end of the Women's District Golf Association tournament as she is at the beginning she would own several championships by now.

The perky brunette from Bethesda Country Club paced the qualifying for the second year in a row yesterday, touring Lakewood Country Club in 37-39-76.

Jackie, who first qualified for the championship flight in 1966 at Manor, has gotten past the quarterfinals only once and that was the following year when she was eliminated in the semifinals.

This year, Mrs. Cone appears to have a good chance to make it all the way. Her No. 1 adversary, Mrs. Roland Bryant of Country Club of Fairfax, who has beaten her three of the last four years, is not in the field.

In breaking the competitive women's course record, Mrs. Cone birdied the 435-yard par-five fifth hole, the 422-yard par-five sixth and the 452-yard, par-five 16th.

Mrs. Cone, who plays to an eight handicap, also shot a 76 last year at Indian Spring, but was sidelined by Mrs. Bryant in the quarterfinals.

Mrs. William Weitzen, who went on to win last year's tournament over her home course, is rated a strong threat again. She was an automatic qualifier and tangled with Mrs. Harold Jack of Manor in today's first round.

Mrs. Cone took on the long-hitting Mrs. Thomas Konopa of Argyle, who qualified with an 84.

Three other former champions qualified for the 16-player tour-

nament. Mrs. Frank Cush of Argyle, who won in 1968 at Brooke Manor, shot an 81 and took on Mrs. Luis Fortin of Kenwood today. Mrs. Ned Looney, the 1969 winner at Westwood, also had an 81 and met Mrs. Edward King of Army Navy. Rebecca Doman, the 1966 champion, shot 86 and faced Nina Crampton of Congressional.

Today's pairings with qualifying scores in parentheses:

Mrs. William Weitzen, Indian Spring (a-tomatic) vs. Mrs. Harold Jack, Manor (83). Mrs. Frank Cush, Argyle (81) vs. Mrs. Luis Fortin, Kenwood (85). Mrs. Ned Looney, Army Navy (81) vs. Mrs. Edward King, Army Navy (84). Nina Crampton, Congressional (83) vs. Rebecca Doman, Argyle (86).

Mrs. Cone Tops District Qualifying

Mrs. Jay Cone of Bethesda Country Club, fired a one-over women's par 76 yesterday at Lakewood Country Club and for the second straight year won the qualifying medal in the Women's District Golf Association championship.

The former Maryland state champion was out in 37 and back in 39, establishing a women's competitive record for the Rockville course.

Only one other contestant, Mrs. Walter Goodrich of the Country Club of Fairfax, was able to break 80. Mrs. Goodrich posted twin nines of 39 for a three-over par 78.

Defending champion Mrs. William Weitzen of Indian Spring qualified automatically. In today's first round of her title defense, Mrs. Weitzen plays Mrs. Harold Jack of Manor, who qualified with 83.

Mrs. Cone of Bethesda had birdies at the fifth, sixth and 16th holes. She faces Mrs. Thomas Konopa of Argyle today. Pairings, starting times and scores:

9:18—Mrs. William Weitzen, Indian Spring (defending champion) vs. Mrs. Harold Jack, Manor (83). 9:24—Mrs. Frank Cush, Argyle (81), vs. Mrs. Luis Fortin, Kenwood (85). 9:30—Mrs. Walter Goodrich, Fairfax (78), vs. Mrs. George Foster, Bethesda (84). 9:36—Mrs. William Weaver, Argyle (82), vs. Mrs. P. J. Verell, Belle Haven (86). 9:42—Mrs. Jay Cone, Bethesda (76), vs. Mrs. Thomas Konopa, Argyle (84). 9:48—Susan Hayward, Argyle (82), vs. Mrs. Joseph Smyth, Congressional (84). 9:54—Mrs. N. L. Rain Forces Delay In Women's Amateur

The Women's District Amateur golf tournament, scheduled yesterday, has been postponed because of heavy rains Sunday and yesterday that left the Lakewood Country Club course unplayable.

Tournament officials will meet this week to determine a new date for the affair.

Don't worry, Jacky! Remember: You're not getting older, you're only getting better! We, your District fellow members (sorry Bella Abzug, girl-members) wish you a bundle of successful golfing years and more championships!

Mrs. Jack Eliminates Weitzen

Mrs. Harold Jack of Manor Country Club put an end to Mrs. William Weitzen's reign as Women's District Golf Association champion yesterday at Lakewood Country Club.

Mrs. Jack upset Mrs. Weitzen, eight-time Indian Spring Club champion, 1 up in 19 holes. The defending champion lost the seventh hole because her ball struck her golf bag.

Mrs. Weitzen was even at the turn and missed a five-foot putt on the 18th that sent the match into overtime. On the 19th, Mrs. Weitzen put her second in a trap and then blasted out against a fence. She conceded the hole to Mrs. Jack who needed to get down in two strokes from the edge of the green for her par.

Medalist Mrs. Jay Cone of Bethesda squeaked past Mrs. Thomas Konopa, 1 up. The most crushing victory of the day was Rebecca Doman's 7 and 6 victory over Nina Crampton of Congressional. Mrs. Doman won the District Title in 1966.

Mrs. T. J. Verell of Belle Haven, two down with only three holes remaining, defeated Mrs. William Weaver of Argyle, 1 up.

Results:

Mrs. Harold Jack, Manor, def. Mrs. William Weitzen, Indian Spring, 1 up 19 holes; Mrs. Frank Cush, Argyle, def. Mrs. Luis Fortin, Kenwood, 3 and 1; Mrs. W. D. Goodrich, Fairfax, def. Mrs. George Foster, Bethesda, 3 and 2; Mrs. T. J. Verell, Belle Haven, def. Mrs. William Weaver, Argyle, 1 up; Mrs. Jay Cone, Bethesda, def. Mrs. Thomas Konopa, Argyle, 1 up; Susan Hayward, Argyle, def. Mrs. Joseph Smyth, Congressional, 1 up; Mrs. N. I. Looney, Army Navy, def. Mrs. E. W. King, Army Navy, 7 and 5, and Rebecca Doman, Argyle, def. Nina Crampton, Congressional, 7 and 6.

In Women's Golf Play

Mrs. Jack Scores 2d Straight Upset

Proving her first-round victory over defending champion Mrs. William Weitzen was no fluke, Mrs. Harold Jack scored a second straight upset yesterday in the Women's District Golf Association championships at Lakewood Country Club.

Mrs. Jack eliminated two-time champion Mrs. Frank Cush of Argyle, sinking a seven-foot birdie putt on the 18th green for a 1-up victory. The Manor Club player was three up at the turn but then lost the 12th, 15th and 16th holes.

The 17th was even, then Mrs. Jack sent her curling, downhill putt into the cup. Mrs. Cush, winner of the title in 1958 and 1968, had a four-foot putt for a halve but missed.

Opposes Mrs. Verell

In Thursday's semifinals, Mrs. Jack plays Mrs. T. J. Verell of Belle Haven. Mrs. Verell stopped Mrs. Walter Goodrich of the Country Club of Fairfax, 7 and 6.

The Belle Haven club champion, who had not gotten past the second round before, was out in 39 and seven up. Mrs. Verell lost her only hole of the match at 12 and was two-over par for the distance.

In the other semifinal, Mrs. Jay Cone, the medalist, plays Mrs. N. I. Looney, 1969 champion from Army Navy Country Club. Mrs. Cone of Bethesda

Country Club eliminated Susan Hayward of Argyle, 1 up.

Regains Lead

After going out in 43, Mrs. Cone was back in 39, regaining her lead at the 16th hole. She preserved the lead at 18 by sinking a 10-foot putt for a birdie. Miss Hayward put her third shot four feet from the pin but never got the chance.

Mrs. Looney was two-over par in eliminating Rebecca Doman, 1966 titlist from Argyle, 3 and 2. Out in 39, Mrs. Looney was 1 up at the turn.

Mrs. Looney won the 10th and 13th holes but lost the 14th to a birdie. She closed out the match by taking the 16th with a par.

Mrs. Jack Needs 'Final' Golf Upset

By Maury Fitzgerald
Washington Post Staff Writer

Mrs. Harold Jack did it again yesterday in the semifinals of the Women's District Golf Association championship at Lakewood Country Club.

The Manor Club golfer, who didn't figure to get past the first round, scored her third upset victory and plays Mrs. N. I. Looney, 1969 champion, this morning for the title.

Mrs. Jack defeated Mrs. T. J. Verell of Belle Haven in the semifinal, 1 up.

Mrs. Looney, former champion at Army Navy, advanced by beating medalist Mrs. Jay Cone of Bethesda, 1 up.

Both Mrs. Jack and Mrs. Verell had bad cases of the jitters. Mrs. Jack got well at the 18th where she hit a fine chip shot and sank a short putt for a par to keep her championship hopes alive.

Mrs. Jack started out to make short work of her opponent, going two up at four. However, Mrs. Verell won the next three holes to take a 1 up lead.

Mrs. Jack won the ninth to

get even and birdied the 10th to take the lead. She won the 12th to go two up but lost the 14th and 17th to level the match going to the 18th.

Mrs. Looney shot 79 in winning her match but for a brief moment at 18 it appeared the match was going into extra holes. Mrs. Cone's 30-foot putt hit the back of the cup but popped out.

In the consolation finals, Mrs. William Weitzen, 1970 winner, plays Mrs. Joseph Smyth of Congressional. Mrs. Weitzen eliminated Mrs. William Weaver, Argyle, 1 up, and Mrs. Smyth defeated clubmate Nina Crampton, 4 and 3.

Mrs. Jack Scores 2d Straight Upset

Proving her first-round victory over defending champion Mrs. William Weitzen was no fluke, Mrs. Harold Jack scored a second straight upset yesterday in the Women's District Golf Association championships at Lakewood Country Club.

Mrs. Jack eliminated two-time champion Mrs. Frank Cush of Argyle, sinking a seven-foot birdie putt on the 18th green for a 1-up victory. The Manor Club player was three up at the turn but then lost the 12th, 15th and 16th holes.

The 17th was even, then Mrs. Jack sent her curling, downhill putt into the cup. Mrs. Cush, winner of the title in 1958 and 1968, had a four-foot putt for a halve but missed.

Opposes Mrs. Verell

In Thursday's semifinals, Mrs. Jack plays Mrs. T. J. Verell of Belle Haven. Mrs. Verell stopped Mrs. Walter Goodrich of the Country Club of Fairfax, 7 and 6.

The Belle Haven club champion, who had not gotten past the second round before, was out in 39 and seven up. Mrs. Verell lost her only hole of the match at 12 and was two-over par for the distance.

In the other semifinal, Mrs. Jay Cone, the medalist, plays Mrs. N. I. Looney, 1969 champion from Army Navy Country Club. Mrs. Cone of Bethesda

Country Club eliminated Susan Hayward of Argyle, 1 up.

Regains Lead

After going out in 43, Mrs. Cone was back in 39, regaining her lead at the 16th hole. She preserved the lead at 18 by sinking a 10-foot putt for a birdie. Miss Hayward put her third shot four feet from the pin but never got the chance.

Mrs. Looney was two-over par in eliminating Rebecca Doman, 1966 titlist from Argyle, 3 and 2. Out in 39, Mrs. Looney was 1 up at the turn.

Mrs. Looney won the 10th and 13th holes but lost the 14th to a birdie. She closed out the match by taking the 16th with a par.

Mrs. Looney Ends Mrs. Jack's Bid

By Maury Fitzgerald
Washington Post Staff Writer

Mrs. Ned I. Looney was one favorite too many for Mrs. Harold Jack yesterday in the final of the Women's District Golf Association championship at Lakewood Country Club.

Mrs. Looney of Army Navy Country Club won her second city title, ending Mrs. Jack's string of three straight upsets, 3 and 1. Among Mrs. Jack's victims was Mrs. William Weitzen, the defending champion.

Mrs. Weitzen of Indian Spring came back from that defeat to win the championship consolation, defeating Mrs. Joseph Smyth of Congressional, 4-3.

Mrs. Jack, who earlier in the year won the Keefer Cup at Chevy Chase Club, took a one-up lead at the third hole with a par. She missed a three-footer for a halve at five, losing the only advantage she enjoyed in the match.

Mrs. Looney, winner in 1968, took the lead at eight with a par.

The champion won three straight holes beginning at 10, giving her a commanding four-up lead. Mrs. Jack three-putted the 12th.

After losing the 13th and 14th holes to par, Mrs. Looney won the 15th to go dormie three. Mrs. Jack birdied the 16th but sealed her doom at 17 when she trapped her tee shot and blasted her second shot over the green.

Had Mrs. Jack pulled off her fourth upset of the tournament, the championship would have given Manor Club three titles in an underdog role. Earlier in the year, Manor won the Maryland State championship and the District senior team title.

Advice Pays Off For Mrs. Canney

By DICK SLAY
Star Staff Writer

GARRISON, Md.—Mrs. Richard Canney, wife of the pro at Chantilly (Va.) National club, returned to her home area this week and completed a sweep of practically every major golf championship available in her home section.

The former Mary Alice Sawyer, who took up the game as a 10-year-old at Clifton Park public course near here, stayed with Mr. and Mrs. John Bass while competing in the Middle Atlantic Golf Association's women's championship at Green Spring Valley Hunt Club.

Bass, one of Mary Alice's early teachers who now is the pro at Pine Ridge, imparted some advice Wednesday evening which helped her win the tournament.

Mrs. Canney, 26-year-old

mother of three daughters, was having trouble with her short irons while scoring 80 in the opening round Wednesday at Green Spring Valley. She took her 7, 8 and 9 irons to a driving range that evening and Bass pinpointed the problem.

"I was trying to help the ball get up, instead of staying down and just hitting the ball," Mary Alice said.

Her short irons yesterday were improved but her driving, which was near-perfect Wednesday, unaccountably collapsed. She hit only one drive to her satisfaction, on the par-5, 17th hole, while scoring 39-41—80.

However, the pair of 80s for a 160 total were good enough to win by four strokes. Paula Wagasky, the 18-year-old from Crofton who tied Mrs. Canney's 80 Wednesday for the opening lead, took 9 on the par-4 fourth hole and slipped to an 85, permitting former champion Mrs. Frank Cush of Argyle to take second place with 84-80—164.

Mrs. Jay Cone of Bethesda, current Maryland State women's champion, scored 41-33—74 and Joan Winchester of Rolling Road, Payne Trophy winner, shot 42-37—79 yesterday for the low rounds of the tournament.

Mrs. Canney Salvages Tie for Top Off Tee

GARRISON, Md.—Mrs. Richard Canney, who is noted for her driving, seldom has driven better than she did yesterday in the opening round of the 36-hole Middle Atlantic women's golf championship at Green Spring Valley Hunt Club.

Mrs. Canney, the former Mary Alice Sawyer of Baltimore, who now is wife of the pro at Chantilly in Centreville, Va., knocked the ball out of the fairway only twice in 15 driving holes and never had more than a 7-iron into the green.

She was tied with 18-year-old Paula Wagasky of Crofton for the lead, but at eight-over-par 80, entering today's last round. Mrs. Canney said her iron play was so terrible that she ruined two golf balls. She posted 39-41—80.

Miss Wagasky finished with six straight pars for a 41-39—80. The course, playing only 5,653 yards for the field of 53 starters, was extremely exacting.

Mrs. William Bibby of Cumberland C.C. held third place with 39-43—82, followed by Mrs. Jo-

Mrs. Canney Fires Second 80 To Win MAGA Crown

2ND DAY

BY JIM CAFFEY

Mrs. Richard Canney fired her second straight 80 yesterday at Green Spring Valley Hunt Club and posted a four-stroke victory in the women's championship of the Middle Atlantic Golf Association.

Mrs. Canney, who won the Baltimore City girls championship five times as Mary Alice Sawyer, finished second in the MAGA event last year, the only other time she competed.

Mrs. Frank Cush, of Argyle Country Club, posted the second-best overall score although she was playing in the second division. Her 84-80—164 aggregate took second place.

Young Paula Wagasky, one of the very few hopes for the future of women's golf in the Middle Atlantic area, tied for third with Rebecca Doman, of Argyle C.C., one of the steadiest distaffers hereabouts the last few years.

Miss Wagasky, the Women's

Golf Association of Baltimore champion from Crofton Country Club, carded scores of 80-85 for 165. She shared the 18-hole lead with Mrs. Canney.

Miss Doman came back to 80 yesterday after an opening 85.

Joan Winchester, of Rolling Road, shot a tournament-best round of 79 yesterday and tied for fifth with Beth Hughes, of Caroline C.C. at 168. Miss Winchester's rounds were 89-79 while Miss Hughes carded two 84's.

Mrs. Cone Matches

Mrs. Jay Cone, of Bethesda, matched Miss Winchester's 79 yesterday but it was little help after an opening 95 on the tight GSVHC course.

Miss Doman and Mrs. Cush teamed for a 72-hole total of 329 to win the team championship.

Division winners were: Margot MacKenzie, of the host club, with 84-81—165 in Division II; Mrs. Roland Thursty, of Woodholme C.C., with 97-84—181 in Division III; Mrs. William B. Mrs. Cone Upset in State Golf

Special to The Washington Post

SEVERNA PARK, Md., Oct. 15—Paula Wagasky, 18-year-old club champion from Crofton, upset defending champion Mrs. Jay Cone of Bethesda, 2 and 1, today at Chartwell Country Club and gained Saturday's Maryland State Golf Association women's championship match against Rebecca Doman.

The 18-hole final begins at 11 a.m.

Miss Doman, a former Maryland State champion from Argyle, three-putted four greens but still beat Karen Smith of Potomac Valley, 3 and 2.

Miss Wagasky grabbed a two-up lead after five holes as Mrs. Cone putted poorly. She led by at least that margin until the 15th when Mrs. Cone reduced the margin to one hole. But Miss Wagasky won the 310-yard, par-four 17th with a par to close out the match.

Miss Doman continued her strong play especially on the front nine. She has shot under 40 in three match-play rounds and in qualifying when she captured the medal.

Mrs. Copp Wins

Mrs. Duport Copp with a 36-hole net score of 194-50-144, won the Torlinski Cup in a women's golf event at Army Navy Country Club yesterday. Low gross went to Mrs. John Belser, 164.

Miss Doman Regains Her State Crown

Special to The Washington Post

SEVERNA PARK, Md., Oct. 16—Rebecca Doman, the longest hitter in the field, used the length of Chartwell Country Club to her advantage and defeated Paula Wagasky, 4 and 3, for the Maryland State Golf Association women's championship today.

Miss Doman turned the match around with a birdie and a par on two of the longest holes on the 6,200-yard course in winning the championship for the second time in four years.

The Argyle Country Club member grabbed a two-up advantage over the 18-year-old Miss Wagasky by winning those two holes after losing two of the first four holes.

Miss Doman made six-foot putts on each hole, her only one-putt greens of the day.

The first gave the medalist a birdie four on the 481-yard ninth and the second a par four on the 452-yard 10th. Miss Doman did not three-putt today, after overcoming four three-putt greens in the semifinals.

Miss Wagasky, a 5-foot-4, 100-pound member of Crofton Country Club, had problems keeping the ball in play today. She took a penalty for an unplayable lie on the fifth hole, was all over the course in making a double bogey at the ninth and hit a bad iron approach shot on the 15th as Miss Doman closed out the match.

The only holes Miss Doman failed to win after the seventh were the 11th, when Miss Wagasky made a long putt for a birdie three, and the 14th, which was halved.

3 EX-CHAMPS ADVANCE

Mrs. Doman on Game, Fair Warning to Rivals

Rebecca Doman doesn't often admit she's playing well, but the long-hitter from Argyle Country Club was well satisfied with her game yesterday, which spells trouble for the rest of the field in the Women's District Golf Association championship.

"Yes, I played well today," Miss Doman said, quietly, after routing Congressional's Nina Crampton 7 and 6 to advance to today's second round.

Miss Doman, a former Maryland Open and Maryland Amateur champion, was even par in her 12 holes over the stifling Lakewood Country Club course.

If she can maintain her game, the six-handicapper will be a strong favorite the rest of the week.

Rebecca, who won this tournament in 1966 at Manor, was one of three former champions who gained today's second round, but last year's winner, Mrs. William Weitzen of Indian Spring, was ousted on the 19th hole by Mrs. Harold Jack of Manor.

Mrs. Weitzen said she just never got going, but managed to stay with Mrs. Jack through 18 holes. On the first extra hole, she caught the trap with her second shot and lost to Mrs. Jack routine par.

Mrs. Frank Cush, a two-time winner from Argyle, was stunned by newcomer Mrs. Luis Fortin of Kenwood and fell three back after three holes. However, she rallied to even the match after nine and breezed home a 3-and-1 winner.

Mrs. Ned Looney of Army Navy, who won this tournament in 1969 at Westwood, also played very well in eliminating club-mate Mrs. Edward King 7 and 5.

Mrs. Jay Cone of Bethesda,

who paced the qualifiers with a 76, slipped to an 83, but it was enough to squeak past Mrs. Thomas Konopa of Argyle 1 up.

Mrs. Cone, who had trouble with her drives, was two down after 10, but won 12, 14 and 15 with pars to go one up. She lost her advantage at 16, but won the par-three 17th with three and halved the 18th with another par.

The results:

Mrs. Harold Jack, Manor, def. Mrs. William Weitzen, Indian Spring, 1 up in 19 holes. Mrs. Frank Cush, Argyle, def. Mrs. Luis Fortin, Kenwood, 3 and 1. Mrs. Walter Goodrich, Fairfax, def. Mrs. P. J. Verell, Belle Haven, 3 and 2. Mrs. Jay Cone, Bethesda, def. Mrs. Thomas Konopa, Argyle, 1 up. Susan Hayward, Argyle, def. Mrs. Joseph Smyth, Congressional, 1 up. Mrs. Ned Looney, Army Navy, def. Mrs. Edward King, Army Navy 7 and 5. Rebecca Doman, Argyle, def. Nina Crampton, Congressional 7 and 6.

Joan Winchester Leads by Stroke in Payne Cup Event

Joan Winchester had a slim one-stroke lead as she teed off today in the second and final round of the Payne Cup women's golf tournament at Congressional.

Miss Winchester, a three-handicapper from Rolling Road CC, was the only player in the field of 69 to break 40 on the back nine over the long, soggy layout yesterday as she posted a 42-38-80.

Rebecca Doman, a two-time winner of this event, appears to be Miss Winchester's biggest threat. The former Maryland State Open champion had steady nines of 39 and 42 for an 81.

Mrs. Robert Anderlik of Springfield is a stroke back at 82 and Mrs. Ned Looney, a former District titleholder, still is very much in contention after her 41-42-83. Defending champion Mrs. T. J. Verell of Belle Haven in well back after a 46-41-87.

Joan Winchester made one of her rare visits to the Washington area this week and gave the local gals another lesson in golf.

Miss Winchester, who plays to a three handicap at Baltimore's Rolling Road Country Club, breezed to an eight-stroke victory in the 36-hole Payne Cup tournament yesterday at Congressional. But she's probably not very proud of it.

The long layout, soaked by the unusual amount of rain recently, simply was too much for the local contingent and all Miss Winchester had to do was cruise around the muggy course in 80 twice — without a birdie — to romp home the winner with a 160.

Mrs. Ned Looney, a former District champion from Army-Navy, couldn't match her opening 83, but still finished second after shooting 85 for 168.

Argyle's Rebecca Doman, a

former Maryland Open champion and twice winner of this event, had a chance to overhaul the Baltimore invader after her opening-round 81. However, she staggered around in 90 blows to wind up tied for third at 171. Then she lost a match of cards with Mrs. D. K. Holman of Country Club of Fairfax, winner of this year's Star Cup, who shot uncharacteristic rounds of 85 and 86.

Mrs. Frank Cush, also a former District winner, and Mrs. Robert Anderlik of Springfield, the defending champion, tied for low net with 151s and Mrs. Cush won a match of cards.

Joan Winchester of Rolling Road Country Club in Baltimore shot two rounds of 80 for the low gross title and Mrs. Frank Cush of Argyle Country Club shot a 36-hole 167-16-151 to win the low net in the Lillian Payne Trophy Tournament completed yesterday at Congressional Country Club.

Miss Winchester easily outscored Mrs. Ned Looney of Army Navy Country Club, who shot an 83-85-168 for second gross. Mrs. D. K. Solman, Country Club of Fairfax, was third, with 85-86-171. Fourth place went to Rebecca Doman, Argyle, with an 81-90-171 and Mrs. R. A. Chapman, Army Navy, shot 85-91-176 for fifth.

In net, Mrs. Robert Anderlik, Springfield Country Club, had a 171-20-151 to equal Mrs. Cush's winning score. But the tie was broken by a matching of the scorecard.

Mrs. Thomas Konopa, Argyle, finished third, shooting a 174-20-54. Two strokes back in fourth place was Mrs. J. H. Belser, Army Navy, 176-20-156, and fifth was taken by Mrs. Arpad Kopsch, Army Navy, with 183-26-157.

Miss Doman Captures Cup

The better players in the Women's District Golf Association watched uneasily as Rebecca Doman's handicap crept up from 4 to 7 this season, and yesterday the former WDGA champion struck.

After a spring of relative inactivity which caused her handicap to rise, Argyle's Miss Doman yesterday scored 42-37-79 at Congressional for a net 72 and won the Class A Post Cup for the first time.

Mrs. Jay Cone of Bethesda was one shot back in net but took the low gross prize with 38-43-81. Other gross prizes were won by Mrs. Frank Cush of Argyle, 43-40-83, and Mrs. William Bennett, Chevy Chase, 42-42-84.

Mrs. Holman Wins on 71

Mrs. D. K. Holman of the Country Club of Fairfax ended a nine-year drought in Women's District Golf Association class events by capturing the Class A Star Cup with an 80-9-71 over her home course yesterday.

A runnerup enough times previously that she couldn't recall the exact number, Mrs. Holman won by two strokes over Mrs. I. W. Elliott of Army Navy, 84-11-73, as scores generally ran high because of the wet condition of the long course.

Mrs. Holman's 80 was also the best gross round in the 38-player field. But the player who sat out one year of competition for violation of amateur rules regarding maximum prizes in one tournament chose the net award.

Mrs. Frank Cush of Argyle was awarded first place in the gross division with an 81.

Army Navy Duo Captures First 4-Ball Tourney

By DICK SLAY
Star Staff Writer

Mrs. Roger Chapman and Mrs. John Belser of Army Navy Country Club figured to be a strong-enough team even without stroke allowances in the inaugural Women's Invitational Four-Ball at International club.

After all, they had paired up the last three years in the Virginia State Women's team championship and had lost only half a point in helping Army Navy to the title each year.

The big trophy at International yesterday went to the low net scorers on better ball, and Mrs. Belser and Mrs. Chapman were in command. Mrs. Chapman, a 12-handicapper, and Mrs. Belser, an 8, combined for 32-36-68 Tuesday in the first round and yesterday returned 34-35-69 for a winning total of 137.

Mrs. Chapman, the 1970 Kiefer Cup champion, birdied the 13th and 17th holes yesterday, scoring a net eagle 3 on the 495-yard 13th. Not even a bogey 5 on the final hole could ruin the leaders' chances.

However, it was no walkaway against the 25 other twosomes. Their three-under-par 68 Tuesday was good for only a tie with two other teams, and their 137 total won by only one shot.

Mrs. D. K. Holman, CC of Fairfax, and Mrs. William Weitzen of Indian Spring followed their opening 68 with a 70 yesterday and took down the second net prize. The other 68 shooters Tuesday, Mrs. Walter Goodrich from CC of Fairfax and Jane Mack of Richmond's Hermitage Club, scored net 71 yesterday to tie for third but accepted the low gross prize instead.

Miss Mack and Mrs. Goodrich had gross scores of 74 and 76 for 150, beating out Mrs. Richard Canney of Chantilly and Mrs. Roland Bryant, CC of Fairfax, by a stroke.

MINUTES OF TEAMS MEETING

May 26, 1971

On May 26, 1971, at 10:00 A.M. a meeting of WDGA Team representatives was held at Bethesda Country Club. The following clubs were represented:

ARGYLE - ARMY-NAVY - BELLE HAVEN - BETHESDA - COLUMBIA - LAKEWOOD - MANOR - MONTGOMERY VILLAGE - RIVER BEND - SPRINGFIELD - WASHINGTON - WOODMONT

A discussion was held about any problems encountered in 1971 play and suggestions were made for future matches.

It was strongly suggested that there be no other WDGA events such as Class Tournaments in May, with the exception of the Keefer Cup, pushing these events into September so as to keep the entire month for team play only.

It was suggested that for the First Division Only the rule applying to substitutes having a handicap no lower than that of the lowest handicap of any regular member, be dropped.

A lengthy discussion ensued on slow play. The following suggestions were made:

1. Each team Captain should encourage own team members to pressure those known slow players on their own teams.
2. Reinstate strict clocking and point penalties of matches.
3. On new or unmarked courses, monitors should stay at greens to direct players to next holes.
4. Discuss scores on greens to encourage players "out of the hole" to pick up.
5. No one should need to take more than 1 practice swing.
6. Team captains should instruct players on etiquette of cart play. Proper use of carts makes for faster play.
7. Re-install 150 yard markers on courses to help players determine distances.

The majority of representatives present were favorable to continuing scratch play in all divisions.

The Fifth Division (or 5-team division) requested to start their matches at 9:30 instead of 10:00 to clear the course earlier.

It was recommended to include the following into the team rules:

1. Only one person in a foursome is to report the results to the officials.
2. Team Captains of winning teams are responsible for having the trophies engraved, sending the bill to District Treasurer and returning the cup to correct Division Captain the following year.

Respectfully submitted,
