Sharon Briggs' Award Winners Pat Kaufman (2004) and Ruth Ann Verell (2002)

PAT KAUFMAN Receives Sharon Briggs Award for Distinguished Service

Named for the late Sharon Briggs, this award was instituted in 2002 and is the highest honor conferred by WDCGA. It is presented only when an individual's contributions to amateur golf have risen significantly above the ordinary. President Pat Kaufman presented Ruth Ann Verell the first Sharon Briggs Award in 2002. This year, Ruth Ann Verell had the pleasure of presenting Pat Kaufman the second Sharon Briggs Award. Ruth Ann's remarks follow:

......This individual has had a long time commitment to the betterment of women's golf. Several years ago, she was a member of an ad hoc committee established in Maryland to work with the Maryland State Golf Association in the formation of a Women's Division. Efforts had been made previously toward this end but with little or no success. This committee worked with the Men's Association and was able to reach agreement with that organization that a Women's Division should and could be established. An equitable division of club dues and handicap fees was made and the Women's Division, patterned after its sister organization in Virginia, became a reality. She became MSGA-WD's first President and served in that capacity for four years, nurturing the organization into a viable golf association.

In conjunction with being President, she was appointed to the USGA Regional Associations Committee. She contributed in this capacity to such an extent that she was recognized by the USGA as a "mover and shaker." She was first appointed to the Mid-Amateur Committee and subsequently to the prestigious Women's Committee of the USGA and as a member of the Women's Committee has been made chairman of the Mid-Am Committee.

Not content with just working with the Maryland State Golf Association and the USGA, she also served in various capacities with the Women's District of Columbia Golf Association, including being President in 2001-2002. She has recently been appointed to the Middle Atlantic Golf Association Committee, breaking another barrier as the first female member.

All of these assignments are strictly voluntary. She has dedicated herself to the betterment of golf, not only in our region, but nationally as well. She is also a recognized rules official and spends tireless hours in these efforts as well.

On a professional level, she is a graduate of Wheeling College with a degree in biology, received a Master of Science degree in Molecular Biology from West Virginia University and a Doctor of Laws, J.D., from the Catholic University. Having passed the Maryland State bar exam, she and her sister, Pam, established a law practice together and continued this practice for about 15 years. She currently is a legal editor for several newsletters concerning drug enforcement issues and also has a close working relationship with the National Institutes of Health.

In her spare time, she and her husband, Lou, raised two daughters and now spend time spoiling three grandchildren (with another on the way). Occasionally, she even finds time to play a very proficient game of golf.

This individual (who you all know by now) possesses all the characteristics necessary for the award: selfless dedication to the betterment of the game; generous service to the golf community; appreciation for the ways in which the game can help others and an exemplary sense of sportsmanship and fair play both on and off the course.

It is my personal honor to present to you, the 2004 Sharon L. Briggs awardee for distinguished service.....Pat Kaufman.
