## *Linda's speech*

Nine years ago Lorraine Houlahan asked me if I would be interested on serving on WDCGA board. I thought- how wonderful. A chance to give back and a great vehicle in which to meet other people. I was very excited and then the dreaded words were spoken to me by Carolyn Willis. Go buy a white jacket. This is the jacket that you will wear to ***all WDCGA*** functions.

Here I am—retired from a fashion industry that required I wear designer clothing. Individual looking apparel. Wear a jacket – a uniform----like everyone else was wearing. Oh My....

I remember writing to Pat Kaufman right before a meeting to tell her that my Dog ate my jacket. Another time I told her I was wearing the jacket while in a bank and it was stolen during a bank robbery. My friend Randy Reed will attest to the fact that I wore leather pants with the jacket---anything to make it look different.

As I complete my eighth year of serving on the WDCGA board this jacket is no longer my enemy.

The right sleeve of my jacket represents Maggie. Maggie you are so reasonable and always the voice of logic. I love that you are always accessible. We joke about Maggie and her best friend EXCEL but because of Maggie we now have one stop shopping. Maggie you are an organizational wonder. I like being around people who enhance my life and Maggie you do. I have learned so much from you and I have laughed so much with you. Thank you for being a great friend.

The left sleeve represents Cathy. Cathy has great ideas and she does not just talk about them she implements them. She is always saying ‘What can I do to help’ and when she isn’t saying this she is just doing it. Everyone who comes in contact with her is better by knowing her, I am. Cathy I cherish our relationship and our road trips. Cathy there is a 92 in our future.

In order to keep the jacket from flapping in the wind it needs buttons. Donna you came on board and just ran with the job. You took charge of handing the budget, the banking and the addition of online banking. You have done a wonderful job of keeping us from flapping in breezes and hurricanes. I know you will continue to be a great guardian of the position of secretary.

The pattern for this white jacket is Pat Kaufman. She has taught me well and I continue to learn from her. I can not begin to express my respect and admiration for Pat. She teaches by example and I am a great big Pat want-a-be. No matter how many jackets she is given and no matter how many titles she has she is always just Pat. Thank you for adding me to your USGA committee and for your friendship. I treasure it.

The lining is Becky Wedemeyer. She quietly worked in the background to get our website up and running. She continued to help me even after her resignation. Becky told me to call at anytime and she would do what ever she could to help. Well, she told the truth because I took her up on her offer many times. Becky you are the best and friends forever.

The thread represents the wonderful volunteers and the very dedicated and responsible club reps. Without the thread to hold the WDCGA together we would not exist. My big brim hat is off to you and I thank you for making our job easier.

My one regret is that I will not be able to be on the board with Pam. She is so smart, funny, kind and always on top of any situation that is thrown her way. Every now and then send me one of your –make me laugh out loud-emails.

I will no longer try to run over my jacket or try to wash it in hot water. It now symbolizes all the great women I have met. It symbolizes an organization that changed my life.

As many of you know I am recovering from surgery—the outpouring of cards, favors, thoughts and prayers from so many of you has been nothing short of amazing-not to mention humbling. Thank you all so very much.

I also want to thank two incredible women whom I call best friends. Corene and Parmie thank you for today and for being so wonderful to me. I love you both.

The WDCGA is in good hands. Maggie, Cathy, Donna and Pam will continue to take this organization higher and higher. We are very fortunate that these four women dedicate themselves unselfishly to make the WDCGA an organization that is like no other in the country. Thank you all it has been an honor and a pleasure.

## Ode to Linda

There once was a golfing woman from Westwood,  
In whose garage the golf shoes were stacked like firewood  
Bob said, This has got to stop.....  
Linda said, OK...I might swap  
Some tee times for District priesthood.

So in the year 2000 she began  
An eight year tenure that got her off the divan  
She served under Carolyn and Pat  
And always wore her best hat  
Then worked as Houli's flagman!

By now the ideas were churning  
"We need change", Linda's spirit was burning  
The digital age has arrived  
Tournament manuals & website revived  
Memory sticks replaced storage boxes u-turning

And let's not forget the new events  
The Houlahan and Verell Cups made popular ascents  
Joined by expanded Teams procedures and rules  
Linda continued to pursue always wearing the crown jewels  
And sharing her laughter with us, her portents.

And before you could turn around  
2007 is on the outbound  
Our Princess Louis Vitton  
Has completed her time on the throne  
And could now step into the background.

But of course we know better than that  
Our Linda continues to wear a big hat  
She has become a dear friend to the officers all  
And of course we won't hesitate to call  
In fact she may want to hide the doormat.

So thank you Linda for all these jewels  
Your time, your energy, your laughter were the fuels  
As the District continues to improve  
We'll try to stay in the groove  
But most of all, for us, your friendship rules!
