2018 WDCGA Board

Mimi Hoffman Lifetime Achievement Award

2017, Mimi Hoffman

Mimi Hoffman

The lifetime achievement award is presented to a member of the WDCGA who, through extraordinary accomplishments in the game of golf, has exemplified the best aspects of the game – honor, sportsmanship, and competition – AND HAS SERVED AS AN INSPIRATION TO US ALL.

In 2017, we have selected an awesome individual with an amazing story and who is such an inspiration to us all. This individual has won many awards including: our WDCGA Senior Championship, the Virginia Women's amateur, Virginia Senior Amateur, Maryland Senior Amateur, and her Club Championship over 15 times. She has qualified for over 13 USGA Championships and has represented the State of Virginia in 3 USGA State Team competitions.

Her golf achievements go on and on and are inspirational to us all. However, the truly inspirational part of this story is the battles she fought in achieving her goals. She had her first back operation in 2006 to fix a bulging herniated disk. In 2009, her right ankle was operated on and in 2013 her left ankle started to go bad, it was broken, fractured and collapsed. A disk in her lower back was also herniated. In 2013 she had 3 operations, one on her back and 2 on her ankle. The following season she was the second person in VSGA history to hold both the senior amateur title as well as the senior stroke play title. In 2016, her back started bothering her again and she had two herniated bulging disks just below the disk that was operated on in 2013. She had a great summer overcoming the pain and winning the VSGA Senior Women's Amateur for the 4th time. Last year, the same day as our luncheon she once again had her back operated on. This time, she was a sneeze away from severing her spine. She was told she would not be able to play for a year. They were wrong. She was back in April of this year, playing at her high competitive level. She came in second in the VSGA stroke play and was runner up in the VSGA Senior Amateur losing on the 18th hole. She won the North South Women's Super Senior. And, to top it all off, she just recently found out she is, 2017 Virginia Senior Player of the Year. This is the 3rd time she was awarded the Senior Player of the Year in Virginia.

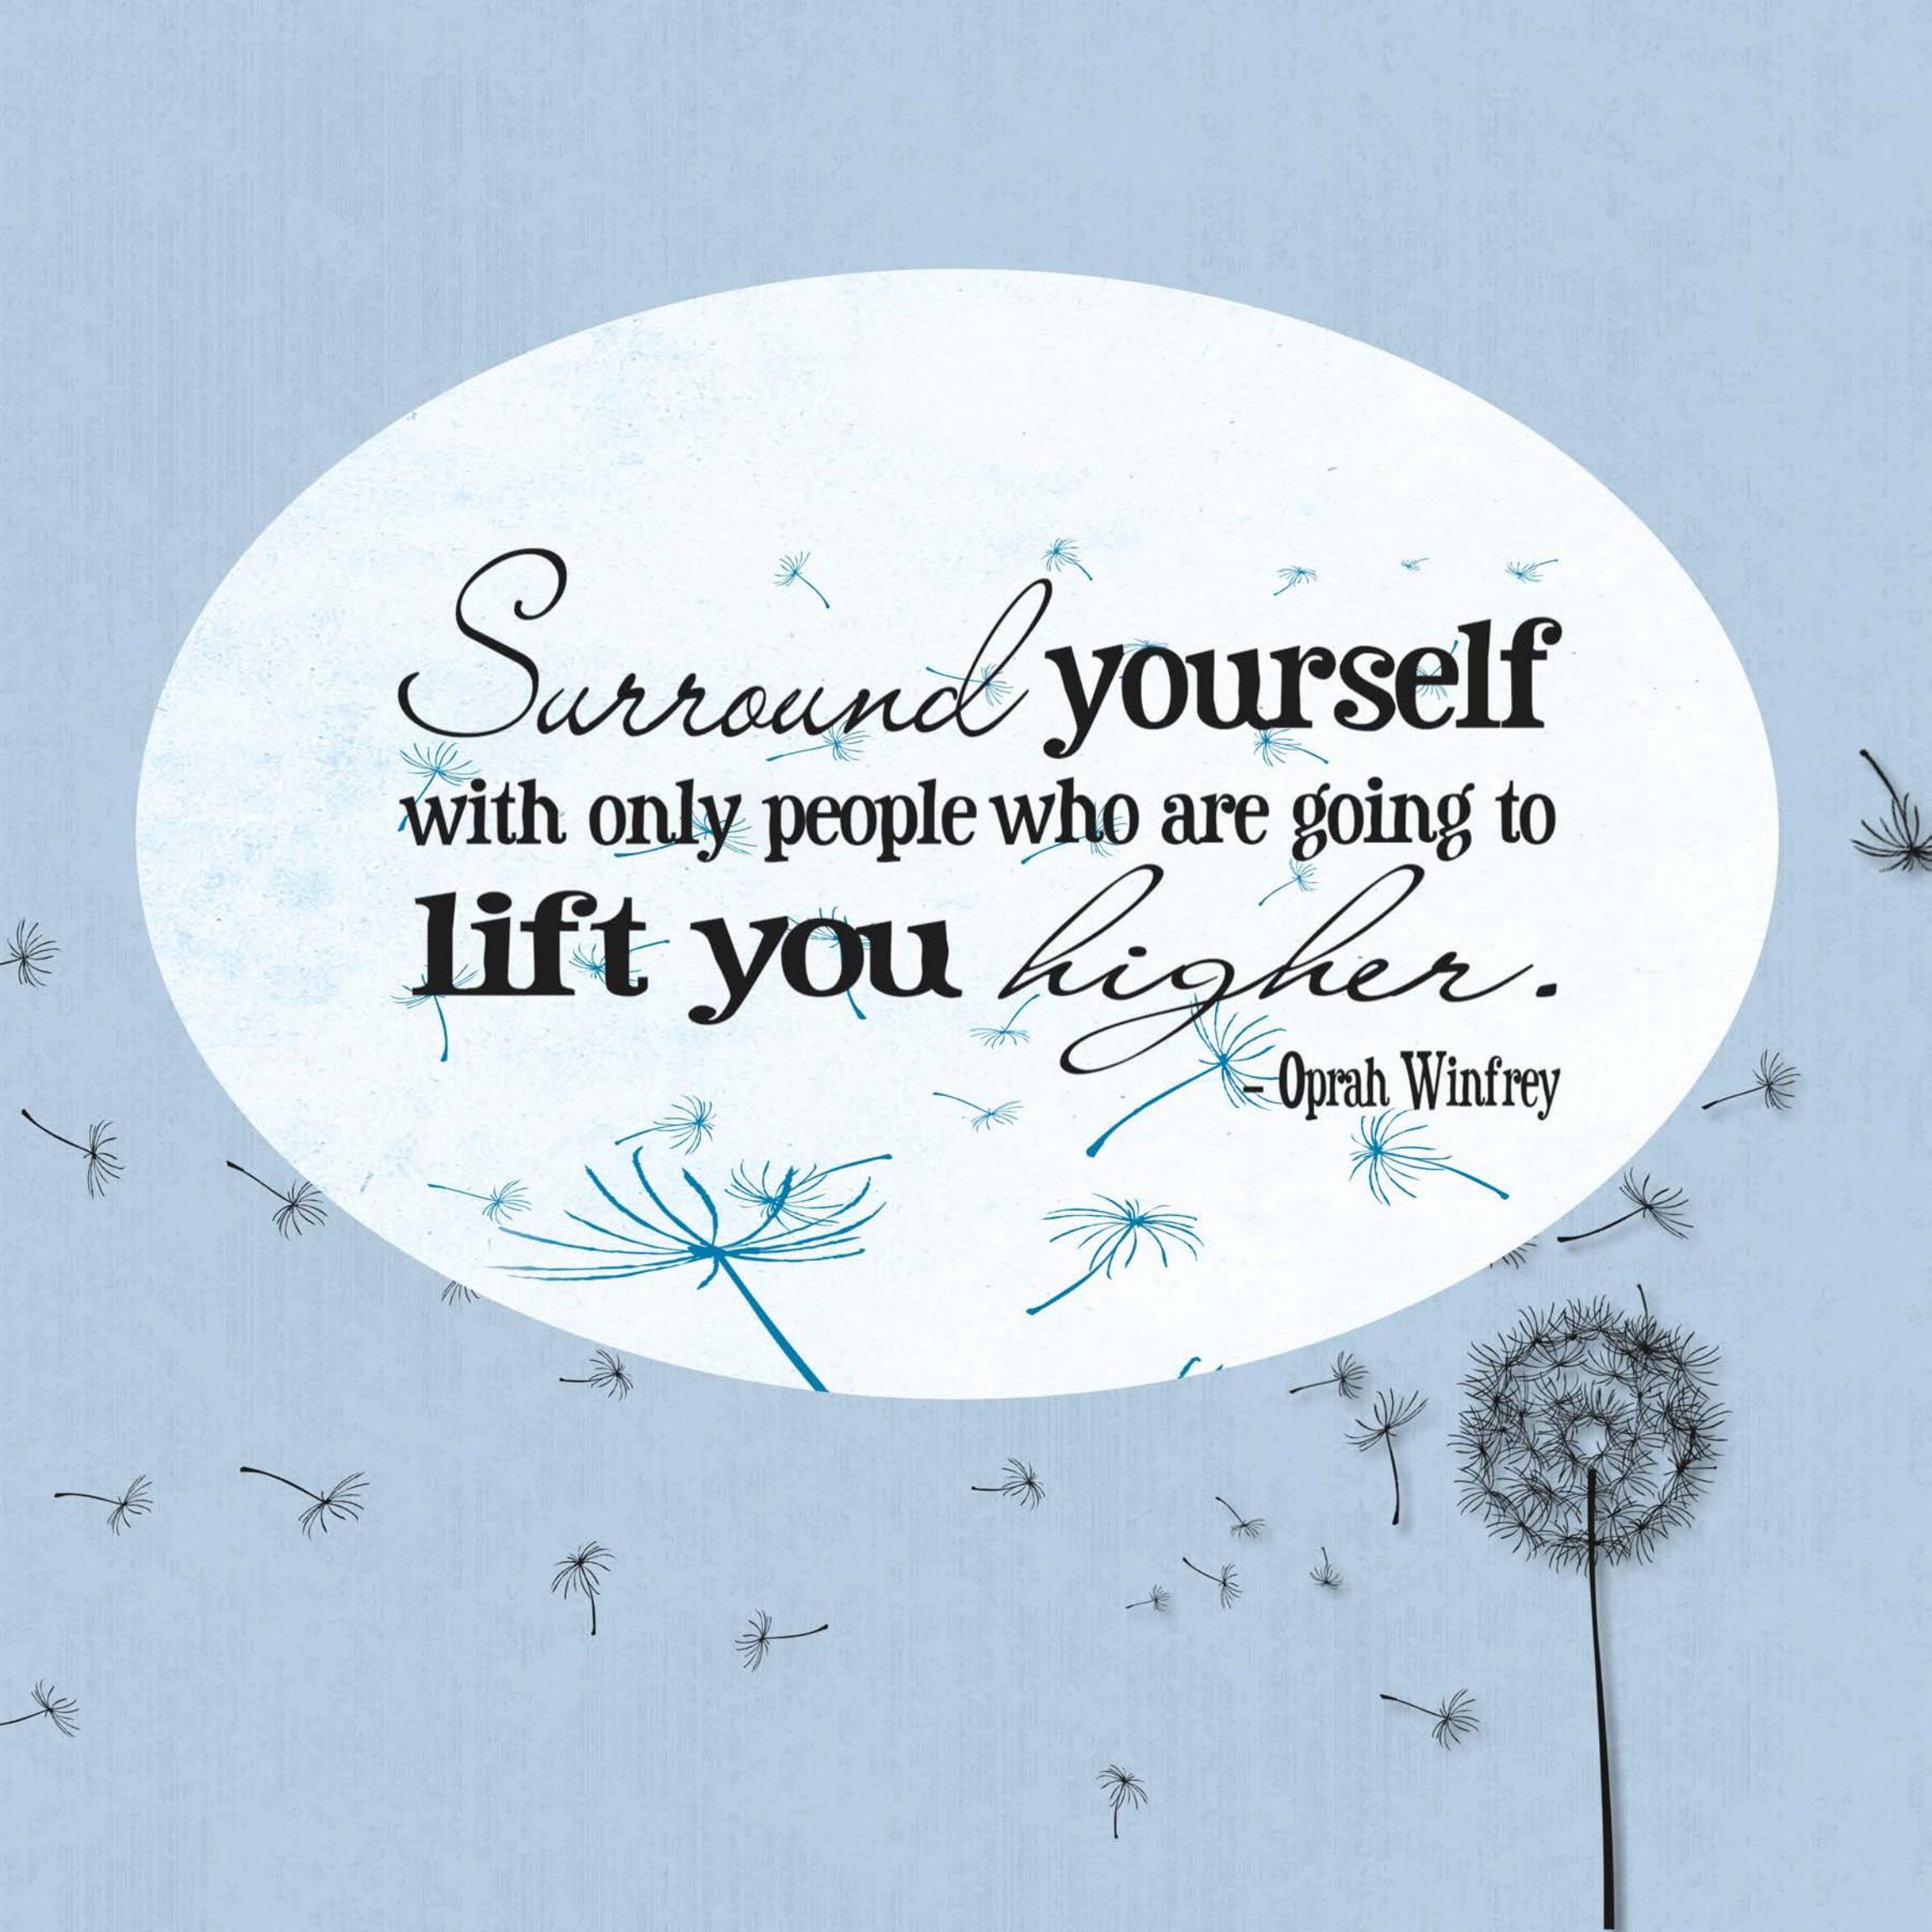

Her story is truly inspirational but that's not the end of it. She is a UVA graduate with her masters in engineering. She has accomplished an unbelievable number of titles AND She works full time for Boeing. (At one time was an astronaut candidate). Currently she is the Program Manager for a Large Defense contract and is in charge of the East Coast Facility.

She has exemplified Honor and Sportsmanship in her everyday golf accomplishments. Her achievements from a competition standpoint are incredible on their own without even considering what she has gone through physically. She truly is an inspiration to us all. We are pleased and proud to present the WDCGA Lifetime Achievement Award to Marcia Cloverley Hoffman, whom we all know as Mimi Hoffman.
