

Handicap Report Guidelines

Please provide an authenticated GHIN handicap report and rounds played report that includes the following information for all WDCGA members from your Club (new and renewing):

- Verifies member has at least 20 scores (active season) posted in the preceding 12 months.
- Shows **November 1** handicap index that is within specified WDCGA limits for regular members and higher than specified WDCGA index for members who qualify as associate.
- One-two page reports please - do not send each member's individual printout.
- *Report should show the date that the report was run, and must show that the handicaps are as of 11/1. Report should be run by the Pro Shop, and submitted by the Team Rep or Team Captain*
