## MISSION STATEMENT OF THE WOMEN'S DISTRICT OF COLUMBIA GOLF ASSOCIATION

The Mission of the Women's District of Columbia Golf Association is to support and promote the best interests of amateur women golfers by organizing and conducting competitive golfing opportunities for our members. Through an active schedule of team matches, individual and team tournaments and championships, we seek to foster the highest level of golfing competence, sportsmanship and camaraderie among our members, while supporting the great game of golf in the Washington, D.C. area.

The Women's District of Columbia Golf Association was created in 1924 and exists for the purpose of promoting competitive amateur golf and conserving the best interests of women golfers.

The WDCGA consists of 29 member clubs and approximately 500 members. Competition includes 24 scheduled tournaments. Approximately 35 teams participate in team matches.

## HISTORY NOTE

The Women's District of Columbia Golf Association was created at a meeting held in March 1924, by a group of women who decided they would like to "paddle their own canoe". The idea to break away from the Men's Association was first conceived in June 1923, but the actual break did not occur until 1924.

The first clubs were Chevy Chase (home of the first president, Mrs. Charles L. Frailey), Columbia, Indian Spring, Bannockburn and Washington Golf & Country Club. By the end of the 1920's the group included Argyle, Army War College (Army Navy Marine Corps Country Club), Beaver Dam (Woodmore), Belle Haven, Congressional, Kenwood, Manor, Town and Country (Woodmont), and two nine hole courses, Kirkside and Harper.

The first tournament under the auspices of the new group was held on April 28th 1924, at the Chevy Chase course. It was "most successful" with 25 entrants participating and a large majority of the WDCGA clubs being represented. Competition was 18 holes, match play against par, with handicap allowance. Par being 88, the first prize was won by Mrs. H. A. Knox from Indian Spring, whose medal score of 97 was the lowest and with a handicap of 10 she was 1 up on par.

Players participating in team matches use their current USGA handicap indexes for each team match. For matches on the first or fifteenth of the month, the prior revision period USGA handicap indexes are used.

### **Posting of Scores**

Post all 9 and 18 hole rounds of golf played under USGA rules on a course with a USGA slope rating for handicap computation.

Member clubs are responsible for the validity of their players' handicaps. The WDCGA may disqualify a member from WDCGA-sponsored tournaments in the event of non-compliance with USGA handicap index rules.

A WDCGA member belonging to more than one club in the WDCGA shall designate one club to which her handicap revisions are to be reported. Unless otherwise indicated, that club shall be the club from which her application for WDCGA membership was received. However, if the handicaps differ between the clubs, the member must use the lowest handicap or be disqualified from competition.

## TOURNAMENT INFORMATION

- Must play to the WDCGA specified maximum handicap index.
- May compete for the cup and/or prizes.

#### Honorary Members

- Honorary members whose handicaps are over the specified limit for a tournament may play under the parameters of Associate members; however, Honorary Members shall not be drawn out of tournaments.

### Registration

- Website registration is encouraged for all tournaments.
- Online registration opens for all added-fee tournaments 5 to 6 weeks before the tournament date.
- Each tournament has a specific entry form available at the back of this book.
- Entry forms are submitted by the individual player or team.
- Entry forms are submitted to the appropriate tournament chair (listed in the Tournament Schedule section of this book).
- Payment by PayPal or mail MUST be received by entry deadline or player/team will NOT be registered for tournament.

## **Late Entries**

Eligible players who miss the registration deadline may contact the appropriate tournament chair to be placed on a wait list. Any new member (during her first month) will be placed at the top of the wait list.

## **Unexcused Late Withdrawals and No Shows**

If a player or a team, with no excuse, withdraws from a tournament either the day before or day of, or does not show up for a tournament, an acceptable explanation may be required in order for the player or team to be considered eligible for the next year's tournament.

## **Oversubscribed Tournaments**

If a Tournament is oversubscribed, eligibility is determined by blind draw, subject to the following guidelines:

- The defending winner (when a team, must be the same team members), when eligible to compete, shall not be drawn out.
- WDCGA volunteers, listed in the Committee section of this Handbook, shall not be drawn out.
- Eligible members of the host club (handicap indexes 21.9 and below), shall not be drawn out.

- All other players with indexes higher than 21.9 shall be drawn out first, including partner events.
- Note: No entrant whose handicap index is 21.9 and below shall be drawn out of more than one WDCGA tournament in any one year, and shall not be drawn out of the same tournament the following year if possible. An entrant

moved from one shotgun or session to another to balance out the field is not considered drawn out.

### **Postponement of Scheduled Events**

If the Committee considers the conditions of play to be hazardous or the course becomes unplayable, play shall be suspended or postponed. Prior to the tournament start, if the course is closed the tournament shall be cancelled and rescheduled if possible.

### **Practice Rounds**

The WDCGA does not sponsor practice rounds for any tournament.

### **Smoking Policy**

The WDCGA recognizes that some members may wish to maintain a reasonably smoke-free environment during the play of tournaments. Any member who is assigned to share a cart with a smoking member may request her own cart. If pairings are threesomes, players should, if possible, switch places so that there are still only two carts in the group.

## **WDCGA COMPETITIONS**

WDCGA competitions can be classified into the following five categories:

- **Team Match Competition** – Interclub competition played at the start of the season. Each club may field a team(s) of six and/or four players. Teams compete

against other WDCGA club teams of similar aggregate handicap.

- **Class Cup Tournaments** – Monthly stroke play events that give members the opportunity to play at member clubs and compete against players of similar ability.
- **Added Fee Tournaments** – Popular events from April through October that offer a variety of venues, formats, and team or individual play.
- **Championships** – Two held annually. The four-day District Championship, open to all members, includes a stroke-play qualifier and three days of match play. The Senior Championship, open to members who are 50 years of age by the date of the tournament, is a two-day stroke play competition.
- **Invitational Tournaments** – Invitation only events, which include the President’s Cup, the WDCGA Tournament of Champions, an Intercity tournament with Baltimore WGA and an Intercity tournament with Richmond WGA.

The following sections describe these tournaments in greater detail.

---

## Team Match Competition

---

Our season begins with team matches held in the spring. Teams are formed by member clubs well before the matches begin. Teams are divided by team aggregate into Divisions.

Generally, each Division is comprised of seven teams with six or four players on each team. (The last six or four player division may have fewer than seven teams, but no fewer than four teams. A division with fewer than seven teams will play fewer than six matches). Teams travel throughout the District to play matches against all other teams in their division. Based on the numbers, a Club may end up being drawn out of Team match competition for one of its teams. See your club representative for details regarding eligibility or opportunities to be a substitute.

---

## Class Cup Tournaments

---

**Eligibility:** Tournaments are divided into classes according to handicap indexes, (see Handicap Divisions, p. 1). Eligibility is adjusted to 1st of the month or 15th of the month USGA handicap revisions (as noted in the tournament schedule). Except for a postponed tournament, a player may compete in only one Class tournament each month.

If the monthly index revision results in a change of class, a player whose class eligibility has changed is only eligible to play in the tournament of her new class.

**Format:** All class cup tournaments are one day individual stroke play events.

**Postponed Tournament:** A player who is registered for a Class Cup which is postponed may participate in the

rescheduled event, provided, however, that her index has not dropped below that class handicap limit. If it has, she may not participate in the rescheduled event. If her handicap index has risen above the handicap limit for that class, she may play using the maximum index allowed in the class. Any player in the class who did not sign up for the original tournament may enter the postponed tournament.

---

## **Keefer & Houlahan Cups**

---

### **Keefer Cup**

**Eligibility:** Members with handicap indexes of 12.5 or below are eligible. Use of carts is restricted to those who have a medical excuse or are 65 or older.

**Format:** This is a two-day stroke play tournament. The Keefer Cup winner (trophy and Tournament of Champions eligibility) is the low gross two-day score of the field.

### **Houlahan Cup**

**Eligibility:** Members with handicap indexes of 12.6 or above are eligible.

**Format:** This is a one-day stroke play competition. The field is divided into flights. The Houlahan Cup winner (trophy and Tournament of Champions eligibility) is the low gross score of the field. Flight winners are the low gross scores in the flights.

---

---

The tournaments in this section are subject to added entry fees as noted in this book's tournament schedule and entry forms. Fees include range balls and carts.

- Caddie fees are not included unless otherwise indicated.
- Make all checks payable to WDCGA and send to the appropriate Tournament Chair, or pay online using PayPal.
- Depending on the number of entries, these events may be oversubscribed, in which case draw-outs may occur; or undersubscribed, in which case two session events may be reduced to one session.
- There are no refunds after the closing date except when a player is drawn out.
- A player or a team is not considered registered until payment is received.

### **The Nancy Davies Icebreaker Tournament**

**Eligibility:** Open to all members.

## **WDCGA Anniversary Tournament**

**Eligibility:** Open to all members.

**Format:** This is a one-day stroke play competition in which four competitors play as partners, each playing her own ball. Individual scores are recorded, as well as the total better ball score of two net and two gross balls. Gross and net prizes are awarded, with the gross prize awarded first. If this event has two sessions, each is scored as a separate event.

**Handicap allowance:** 95% of player's handicap at host course.

## **Bennett Pinehurst Stroke Play**

**Eligibility:** Open to all members.

**Format:** This is a one-day stroke play competition in which both partners drive, then each plays her partner's ball. If this event has two sessions, each is scored as a separate event.

**Handicap allowance:** The partner with the lower handicap receives 60% of her handicap at the host club; the partner with the higher course handicap receives 40% of her handicap at the host club.

## **Calomiris-Church Cup Mixed Four-Ball**

**Eligibility:** Open to all members. Male competitors (who must be amateur and at least 18 years of age) do not have to belong to a WDCGA member club, however, they must have a USGA handicap verifiable online based on information provided on the entry form or by alternate verification faxed or emailed to the tournament chair by the registration deadline.

**Format:** This is a one-day stroke play competition in which two competitors (one male/one female) play as partners, each playing his/her own ball. This tournament has both a net and a gross winner.

Although this tournament may have two sessions, the trophies are awarded to one overall net and one overall gross winner. In addition, separate prizes are awarded in each session. All ties are broken by the USGA recommended method.

**Handicap allowance:** Women receive 95% of their host course handicap and men receive 90%. In addition, the player playing from the set of tees with the higher USGA Course Rating will receive additional stroke(s) equal to the difference between each USGA Course Rating (as outlined by USGA handicap rules).

### **Tony Marlowe Four-Ball Stroke Play**

**Eligibility:** Open to all members. Difference in partners' handicaps (using 100% at host club) shall not exceed eight strokes. Those teams that have more than an eight stroke difference in their host course handicap will have the higher handicap reduced so that their handicaps do not exceed eight strokes.

**Format:** This is a one-day stroke play competition in which two competitors play as partners, each playing her own ball. The overall winner is the low net score of the field. This event usually has two sessions, each scored as a separate event.

**Handicap allowance:** 95% of player's handicap at host course.

### **Verell Past President's Cup**

**Eligibility:** Open to all members.

**Format:** This is a one-day stroke play competition in which two competitors play as partners. Teams play six holes of four-ball stroke play (better-ball), six holes alternate shot and six holes captain's choice (scramble). Each partner's drive must be used at least two times during the alternate shot holes and at least two times during the captain's choice holes. The field is divided into multiple flights, with gross prizes awarded to the overall winners and within flight. If this event has two sessions, each is scored as a separate event.

---

## Championships

---

The tournaments in this section are subject to nominal added entry fees as noted in this book's tournament schedule and entry forms. These tournaments are partially subsidized by the WDCGA.

- Fees do not include range balls and carts.
- Caddie fees are not included.
- Pay online with PayPal or send entry form with check payable to WDCGA to appropriate Tournament Chair.
- There are no refunds after the closing date.

### District Championship

**Eligibility:** Open to all members, however, the qualifying field may be limited depending on the number of entrants.

**Format:** This is a four day event -- an 18-hole stroke-play qualifying round, to reduce the field to a maximum of 80 players, precedes three days of match play in flights. All play is at gross.

#### **Day One:** Qualifying Round (Stroke Play)

The Championship Committee makes the pairings for the qualifying round. The Defending Champion automatically qualifies and is seeded #1. If she elects to play for the medal prize, she is seeded according to her finish. If automatically qualified, she may play a practice round at the end of the field with a non-participant.

The Medalist and/or Co-Medalists, if other than the Defending Champion, are seeded #2 or #3 depending on their order of finish. In addition to the Medalist prizes, the Metta Streit medal is awarded to the player(s) 50 years of age or older with the lowest qualifying score.

Players qualify for match play by their qualifying scores. The top 16 qualifiers, which may include the Defending Champion, comprise the Championship flight. The remaining qualifiers are divided into flights according to their handicap indexes and are seeded according to their qualifying scores.

The last flight must have at least four players. Once all players eligible for the final flight have been identified by handicap index, the top eight players are seeded into the flight by qualifying score. If fewer than four players remain, those remaining players are ineligible to play.

**Example:** Eleven players, by handicap index, are eligible for the final flight. The top eight players, by qualifying score, are taken and the remaining three are ineligible to play.

**Ties in the Qualifying Round:** The last place in the championship flight and the last flight are resolved by a hole-by-hole playoff of stroke play at the completion of the qualifying round. Any player who is not present at the time of the playoff forfeits her rights. Ties in all other flights and for seeding positions in all flights are decided by the order in which scores are returned.

**Day Two:** All players in all flights play one match. Those players who lose their match in the championship flight make up the 1st flight.

**Day Three:** Players in the championship and 1st flights play two matches. Players in all other flights play one match.

**Day Four:** Final Matches for all flights.

**Finals:** The WDCGA Rules Chair, or her designee, acts as the referee for the Championship flight final round. Members selected by the Rules Chair assist her as observers.

**NOTE:** This tournament is one day of stroke play qualifying followed by match play in flights. Withdrawal or forfeiture by a player any time after the qualifying round will be reviewed by the Committee (comprised of the Tournament Chair, the Championship Chair, the Rules Chair, the President and Vice President). If the Committee determines that the withdrawal or forfeiture was unwarranted, the player will be barred from playing in the Championship the following year.

### **Senior Championship**

**Eligibility:** Entrants must be at least 50 years of age by the first day of the tournament.

**Format:** This is a two-day stroke play competition. The field is divided into flights. The overall winner and runner up are the low gross scores of the entire field. Flight winners are the low gross scores in each flight. Net and gross prizes are

awarded in all flights. There is a Super Senior and/or Co-Super Senior award for competitors 65 years of age and older. There are special prizes sponsored by Nancy Graves for the overall low gross winner of the following age brackets: 60-69, 70-79, 80 and over. The Senior Tournament Committee makes the pairings for the first day of play. Pairings on the second day are according to gross scores from the first day of competition.

---

## **Invitational Tournaments**

---

The following tournaments are by invitation only.

### **InterCity**

**Eligibility:** Captains appointed by the WDCGA President select a team of twelve players to compete in each tournament.

**Format:** These are one-day team match competitions between the WDCGA and the WGA of Baltimore and between WDCGA and the WGA of Richmond.

### **President's Plate**

**Eligibility:** By invitation of the WDCGA President to thank volunteers. The Executive Board, Committee Chairs, Past Presidents, and those who have been of special assistance to the President are invited to attend.

**Format:** The President decides the format and makes the pairings. Participants play for prizes.

## **Tournament of Champions**

**Eligibility:** The following current season winners are eligible:

- Winners of all WDCGA Class Tournaments
- Net and Gross winners of Added-Fee Tournaments
- Team Match Competition Division winners (regular team members – no subs)
- Winners and finalist of each flight in the WDCGA Championship
- Senior Championship winner and Super Senior winner
- Club Champions and Senior Club Champions of WDCGA member clubs (must be members of the WDCGA)
- Past WDCGA Championship winners (must be members of the WDCGA)
- Defending Tournament of Champions winner

**Format:** This is a one-day stroke play tournament. The overall winner is the low net score of the field. Invitations are not sent for this event. Eligible participants register on-line or send entries to the Tournament of Champions Chair.

## **PRIZES & AWARDS**

### **Added Fee Tournaments**

Prizes in WDCGA tournaments (except the Championships) are awarded at a ratio of 1 for every 4 players.

### **Class Cup Tournaments**

With a field of 40 or fewer, prizes are awarded to 50% of the field, up to a maximum of 10 prizes. If the field is larger than

40 players, additional prizes are awarded at a ratio of 1 for every 4 players.

### **Class A Cup Tournaments**

Gross Tournaments:

Linda Tucker Cup

Grace Lady Cup

Net Tournament:

Corby Cup

### **Class B, C, and D Cup Tournaments**

The overall winner is the player with the low gross score. Both gross and net prizes will be awarded.

### **Championship**

Prizes in the Championship are awarded to:

- Medalist and/or Co-Medalists in the qualifying round
- Metta Streit Senior Medalist and/or Co-Medalists in the qualifying round
- Champion and runner-up
- Flight Winners and runners-up

### **Ties**

Generally, ties for Cup winners and Tournament champions will be resolved by a hole-by-hole playoff. If the playoff is for a net prize, the players receive strokes as they fall on the card with the number of strokes determined by the rules of the tournament.

Playoffs begin immediately following completion of play. A player not present when the playoff begins forfeits her right to participate in the playoff. Once a winner is determined, the playoff is complete.

A match of cards using the USGA recommended method resolves all other ties. In the event the tie is not broken, the above procedure will be repeated using the front nine.

A player who loses a tie to win a net prize does not forfeit her right to a higher gross prize for which she is eligible. Conversely, a player who loses a tie to win a gross prize does not forfeit her right to a higher net prize for which she is eligible.

If a playoff does not occur, a drawing by lot of eligible playoff participants will be held to determine the winner. All other places, will be determined by match of cards.

## **TOURNAMENT REGULATIONS & WDCGA CONDITIONS OF COMPETITION**

### **Scoring**

Players shall exchange scorecards with fellow competitors, record each other's hole-by-hole score, and sign the scorecard as the scorer. Each player shall sign her own card attesting to the correctness of her hole-by-hole score and handicap.

## **Caddies**

Host clubs may provide caddies and/or golf carts. Participants are not permitted to bring caddies from another source unless otherwise authorized by the Committee.

Penalty: Disqualification

Note: “Forecaddies” are caddies and are subject to the same rules as a caddie even if the caddie is working for more than one player.

## **Dress Code of WDCGA**

Denim, short shorts, cut-offs, gym-shorts, sweat pants, tank tops, tee shirts, and swimwear are prohibited. All attire (including shoes) must conform to the host club’s dress code.

## **WDCGA LOCAL RULES**

The Rules and Decisions of the United States Golf Association shall govern play. See Notice to Players/Competitors for additional Local Rules and Conditions. Unless otherwise noted, the penalty for breach of a Local Rule or Condition is: Match Play – Loss of Hole; Stroke Play – Two Strokes.

**OUT OF BOUNDS:** Defined by inside points, at ground level, of large white stakes and fence posts. Rule 27-1

**WATER AND LATERAL WATER HAZARD STAKES AND LINES:** When both stakes and lines are used to indicate water and lateral water hazards, the stakes identify the hazard and the lines define the hazard margins.

**WATER HAZARDS:** Defined by yellow stakes or yellow lines. Rule 26-1

**LATERAL WATER HAZARDS:** Defined by red stakes or red lines. Rule 26-1

**ENVIRONMENTALLY SENSITIVE AREAS:** If such areas are present (usually identified by stakes with green tops), proceed as in Appendix I, Part B, of the Rules of Golf book.

**GROUND UNDER REPAIR:** Defined by white lines. French drains are deemed to be GUR, even if not marked as such. Rule 25-1.

**WHITE-LINED AREAS TYING INTO ARTIFICIALLY SURFACED ROADS AND PATHS –** Have the same status as the roads and paths – obstructions.

**EMBEDDED BALL THROUGH THE GREEN:** Local Rule as prescribed in Appendix I, Part B, of the Rules of Golf book shall be in effect.

**ACCIDENTAL MOVEMENT OF BALL ON PUTTING GREEN:** When a player's ball lies on the putting green, there is no penalty if the ball or ball-marker is accidentally moved by the player, his partner, his opponent, or any of their caddies or equipment. The ball must be replaced.

**UNDUE DELAY, SLOW PLAY:** See Rule 6-7, including Note 2 modifications for Stroke Play events. See WDCGA

## Pace of Play Policy.

**INTEGRAL PARTS OF THE COURSE:** Includes cables, rods, wires or wrappings when closely attached to trees, liners in bunkers and artificial walls and pilings when located in hazards unless otherwise provided for in Notice to Players/competitors.

**DISTANCE MEASURING DEVICES:** The WDCGA allows a player to obtain distance information by using a distance-measuring device. If a player uses a distance-measuring device to gauge or measure other conditions that might affect her play (e.g., elevation changes, wind speed, etc.) she is in breach of the rules. See Rule 14-3 and Appendix I, Part B, 9 of the Rules of Golf book.

**BALL DROPS:** Dropping areas which allow players to cross a hazard without playing across that hazard are not in play for WDCGA events and may not be used. Dropping areas specified in local rules which allow players to drop out of flower beds or ground under repair may be used.

**LIST OF CONFORMING GOLF BALLS:** Only brands of golf balls on the current USGA list of Conforming Golf Balls may be used. Penalty: Disqualification

**TIME OF STARTING:** The Player must start at the time established by the Committee or Chair. See Rule 6-3.

**CELL PHONE POLICY:** Cell Phone policy - Electronic Devices may be used in accordance with the rules of the USGA (Decision 14-3/16) and any local club rule. However, electronic devices must be used only in the silent mode. Players should ensure that any electronic device taken onto the course does not distract other players or cause undue delay. Violation will result in a warning - continued violation will result in disqualification.

**DOUBT AS TO PROCEDURE:** A player may request assistance from any Rules Committee member. If help is not readily available in stroke play, the player may play a second ball in accordance with Rule 3-3. In Match Play, she shall proceed under Rule 2-5. Only members of the WDCGA Rules Committee are authorized to make rulings.

**DISCONTINUANCE OF PLAY:** The Note under Rule 6-8b and Optional condition in Appendix I, Part C, shall be in effect. Penalty: Disqualification. Players have the right to stop play if they believe there is a danger from lightning. A player who discontinues play without specific permission from the committee **MUST** report to the committee as soon as practicable. All practice areas shall be closed during suspension for a dangerous situation until the committee has declared them open. A player using such practice areas will be subject to a penalty of disqualification. **Discontinue Play Immediately:** One prolonged note of air horn. **Discontinue Play:** Three consecutive notes of air horn, repeated, **Resume Play:** Two short notes of air horn, repeated.

**SCORECARDS:** Scorecards may not be altered once they have been returned to the committee. Rule 6-6c.

**BREAKING OF TIES:** Generally, ties will be broken by a hole- by-hole playoff for first place and match of cards using the USGA recommended method for other places.

**CLOSE OF COMPETITION:** The competition shall be deemed to have closed when the prizes has been awarded or, in the absence of a prize ceremony, when the results have been officially announced.

## **PACE OF PLAY POLICY**

USGA Rule 6-7 states, in part: “The player shall play without undue delay and in accordance with any pace of play guidelines which may be laid down by the committee,” and thereafter prescribes penalties for slow play. In order to prevent any such penalty, we suggest that you review carefully the following guidelines.

### **DEFINITION OF “OUT OF POSITION”**

The first group will be considered Out of Position if, at any time during the round, the group is proceeding at a pace in excess of an average of 14 minutes per hole for the holes that have been played.

Any following group will be considered out of position

(RED FLAG) if it (a) is behind the prescribed schedule (14 minutes per hole) AND (b) reaches the tee of a par 3 hole and the preceding group has cleared the tee of the next hole, fails to clear the tee of a par 4 hole before the preceding group clears the putting green, or arrives at the tee of a par 5 hole when the preceding group is on the putting green. Both (a) and (b) must apply for a group to be out of position.

NOTE: 14 minutes per hole is the average time for 4 players playing in a stroke play event. Times will be adjusted according to event format and numbers in a group.

## **MONITORING**

Groups who are falling out of position may receive a warning either verbally or by use of a yellow flag. If a group is out of position (RED FLAG), the players in that group may be monitored and timed. Whenever a group is to be monitored and timed it will be notified of such timing by a Rules Rover, either verbally or by use of a red flag. The verbal notification by the Rules Rover will be made immediately after all players complete their tee shots on the hole where monitoring will begin.

Any player in a group out of position who takes more than 40 seconds to play a stroke on one occasion will be informed as soon as practicable that she has a bad time. If she exceeds 40 seconds on more than one occasion (a total of two timings exceeding 40 seconds), she will be informed as soon as

practicable that she has been penalized one stroke. If she exceeds 40 seconds on one more occasion (a total of three times exceeding 40 seconds), she will be informed as soon as practicable that she has been penalized an additional two strokes. Any player who takes more than 40 seconds to play a stroke on one more occasion (a total of four timings exceeding 40 seconds) will be informed as soon as practicable that she is disqualified.

NOTE: If the group in question regains its proper position, (WHITE FLAG) any previous timings of more than 40 seconds will be carried over for the remainder of that round in the event that group requires additional monitoring.

## **TIMING**

When a group is being monitored and timed each player in the group is expected to play any stroke within 40 seconds after timing of the player's stroke begins.

Other than on the putting green, the timing of a player's stroke will begin when she has had reasonable opportunity to reach her ball, it is her turn to play and she can play without interference or distraction. Time spent computing yardage will count as part of the time taken for the next stroke. On the putting green, timing will begin after a player has been allowed enough time to lift, clean and replace her ball, repair her ball mark and other ball marks on her line of putt and remove any loose impediments on her line of putt. Time spent

looking at the line from beyond the hole/and or behind will count as part of the time taken for the next stroke.

NOTE: A player is permitted 40 seconds to play a stroke. An extra 10 seconds will be allowed for:

- (a) the first player to play a stroke on a par-3 hole
- (b) the first player to play a second stroke on a par-4 or par-5 hole
- (c) the first player to play a third stroke on a par-5 hole
- (d) the first player to play a stroke around the putting green
- (e) the first player to play a stroke on the putting green

NOTE: The Committee reserves the right, at any time, to time a group when the Committee deems it necessary. Players should also be aware that the Committee may assess a “bad time” to a player in a group which is out of position if the player makes no effort to help her group get back in position. An example of this would be a player who delays between shots.

NOTE: If a ruling or some other legitimate delay occurs which causes the group in question to lose its position, that group is expected to regain its position within a reasonable time.

## **SUMMARY OF PENALTIES**

The following are the penalties, in sequence, for any player in a group being timed who takes more than the allotted time to play a stroke after timing of the player’s stroke begins:

Timing	Result	Form of Play
1st Bad Timing	Warning	Match & Stroke Play
2nd Bad Timing	1 Stroke	Stroke Play
2nd Bad Timing	Loss of Hole*	Match Play

4th Bad Timing	Disqualification**	Match & Stroke Play

\*Applicable to the Side in Four Ball Match Play.

\*\*Applicable to the Side in Both Four Ball Match and Stroke Play.

In the Pinehurst Stroke Play and the Alternate Shot and Captain's Choice formats of the Verell Past President's Cup, any penalty is assessed against the team and not the individual player.

## **PLAY WITHOUT DELAY**

- **Plan your shot while walking to your ball or while others are playing.**
- **Be ready to play when it is your turn.**
- **Walk briskly between shots.**
- **Walk directly to your golf ball; don't follow others unless assisting in a search.**
- **If riding, take several clubs with you to your ball so you won't have to walk back to the cart.**
- **Don't step off yardage for every single golf shot; develop an "eye" for distance.**
- **Be efficient with pre-shot routine.**
- **Take only one practice swing.**
- **Play a provisional ball if you think the original might be lost outside a water hazard or out of bounds.**

**STAY BEHIND THE GROUP  
IN FRONT OF YOU,  
NOT IN FRONT OF  
THE GROUP BEHIND YOU**
