

Most Likely Score

A **most likely score** is used to record a probable score on a hole that you started, but you did not hole out the ball. Please follow the USGA Rule 3.3 guidelines below, pick up your ball, and record your **most likely score** when your ball cannot improve your team score. Record a **most likely score** with an “X” in front of the number (X5) to indicate that it shouldn’t be used in scoring. Golf Genius will allow you to enter the score this way.

Position of the Ball	Strokes to be Added
If the ball lies on the putting green, and is no more than 5 feet from the hole:	Add one additional stroke.
If the ball lies between 5 feet and 20 yards from the hole:	Add 2 or 3 additional strokes, depending on the position of the ball, the difficulty of the green and the ability of the player.
If the ball lies more than 20 yards from the hole:	Add 3 or 4 additional strokes, depending on the position of the ball, the difficulty of the green and the ability of the player.
